 - (5) Neither the Corporation nor the Warrant Agent shall have any obligation to deliver Warrant Shares upon the exercise of any Warrant if the person to whom such shares are to be delivered is a resident of a country or political subdivision thereof in which the Warrant Shares may not lawfully be issued pursuant to applicable securities legislation. The Corporation or the Warrant Agent may require any person to provide proof of an applicable exemption from such securities legislation to the Corporation and Warrant Agent before Warrant Shares are delivered pursuant to the exercise of any Warrant.

Section 2.3 Warrantholder not a Shareholder.

Except as may be specifically provided herein, nothing in this Indenture or in the holding of a Warrant Certificate, entitlement to a Warrant or otherwise, shall, in itself, confer or be construed as conferring upon a Warrantholder any right or interest whatsoever as a Shareholder, including, but not limited to, the right to vote at, to receive notice of, or to attend, meetings of Shareholders or any other proceedings of the Corporation, or the right to Dividends and other allocations.

Section 2.4 Warrants to Rank Pari Passu.

All Warrants shall rank equally and without preference over each other, whatever may be the actual date of issue thereof.

- (1) The Warrants may be issued in both certificated and uncertificated form. Each Warrant originally issued to a U.S. Warrantholder, if any, will be evidenced in certificated form only and bear the applicable legends as set forth in Schedule "A" hereto. All Warrants issued in certificated form shall be evidenced by a Warrant Certificate (including all replacements issued in accordance with this Indenture), substantially in the form and bearing the applicable legends as set out in Section 2.8 and Schedule "A" hereto, which shall be dated as of the Issue Date, shall bear such distinguishing letters and numbers as the Corporation may, with the approval of the Warrant Agent, prescribe, and shall be issuable in any denomination excluding fractions. All Warrants issued to the Depository may be in either a certificated or uncertificated form, such uncertificated form being evidenced by a book position on the register of Warrantholders to be maintained by the Warrant Agent in accordance with Section 2.6.
- (2) Each Warrantholder by purchasing such Warrant acknowledges and agrees that the terms and conditions set forth in the form of the Warrant Certificate set out in Schedule "A" hereto shall apply to all Warrants and Warrantholders regardless of whether such Warrants are issued in certificated or uncertificated form or whether such Warrantholders are Registered Warrantholders or owners of Warrant who beneficially hold security entitlements in respect of the Warrants through a Depository.

Section 2.6 Book Entry Warrants.

- (1) Registration of beneficial interests in and transfers of Warrants held by the Depository shall be made only through the book entry registration system and no Warrant Certificates shall be issued in respect of such Warrants except where physical certificates evidencing ownership in such securities are required or as set out herein or as may be requested by the Depository, as determined by the Corporation, from time to time. Except as provided in this Section 2.6, owners of beneficial interests in any

CDS Global Warrants shall not be entitled to have Warrants registered in their names and shall not receive or be entitled to receive Warrants in definitive form or to have their names appear in the register referred to in Section 2.9 herein. Notwithstanding any terms set out herein, Warrants held in the name of the Depository having any legend set forth in Section 2.8 herein and may only be held in the form of Uncertificated Warrants with the prior consent of the Warrant Agent and in accordance with the Internal Procedures of the Warrant Agent.

(2) Notwithstanding any other provision in this Indenture, no CDS Global Warrants may be exchanged in whole or in part for Warrants registered, and no transfer of any CDS Global Warrants in whole or in part may be registered, in the name of any person other than the Depository for such CDS Global Warrants or a nominee thereof unless:

(a) the Depository notifies the Corporation that it is unwilling or unable to continue to act as depository in connection with the Book Entry Warrants and the Corporation is unable to locate a qualified successor;

(b) the Corporation determines that the Depository is no longer willing, able or qualified to properly discharge its responsibilities as holder of the CDS Global Warrants and the Corporation is unable to locate a qualified successor;

(c) the Depository ceases to be a clearing agency or otherwise ceases to be eligible to be a depository and the Corporation is unable to locate a qualified successor;

(d) the Corporation determines that the Warrants shall no longer be held as Book Entry Warrants through the Depository;

(e) such right is required by Applicable Legislation, as determined by the Corporation and the Corporation's Counsel;

(f) the Warrant is to be Authenticated to or for the account or benefit of a U.S. Warrantholder (in which case the Warrant Certificate shall contain the legends set forth in Section 2.8, if applicable), if any; or

(g) such registration is effected in accordance with the internal procedures of the Depository and the Warrant Agent,

following which, Warrant Certificates for those holders requesting the same shall be registered and issued to the beneficial owners of such Warrants or their nominees as directed by the holder. The Corporation shall provide a certificate executed by an officer of the Corporation giving notice to the Warrant Agent of the occurrence of any event outlined in this Section 2.6(2).

- (3) Subject to the provisions of this Section 2.6, any exchange of CDS Global Warrants for Warrants which are not CDS Global Warrants may be made in whole or in part in accordance with the provisions of Section 2.11, mutatis mutandis. All such Warrants issued in exchange for a CDS Global Warrant or any portion thereof shall be registered in such names as the Depository for such CDS Global Warrants shall direct and shall be entitled to the same benefits and be subject to the same terms and conditions (except insofar as they relate specifically to CDS Global Warrants) as the CDS Global Warrants or portion thereof surrendered upon such exchange.
- (4) Every Warrant that is Authenticated upon registration or transfer of a CDS Global Warrant, or in exchange for or in lieu of a CDS Global Warrant or any portion thereof, whether pursuant to this Section 2.6, or otherwise, shall be Authenticated in the form of, and shall be, a CDS Global Warrant, unless such Warrant is registered in the name of a person other than the Depository for such CDS Global Warrant or a nominee thereof.
- (5) Notwithstanding anything to the contrary in this Indenture, subject to Applicable Legislation, the CDS Global Warrant will be issued as an Uncertificated Warrant, unless otherwise requested in writing by the Depository or the Corporation.
- (6) The rights of beneficial owners of Warrants who hold securities entitlements in respect of the Warrants through the book entry registration system shall be limited to those established by Applicable Legislation and agreements between the Depository and the Book Entry Participants and between such Book Entry Participants and the beneficial owners of Warrants who hold securities entitlements in respect of the Warrants through the book entry registration system, and such rights must be exercised through a Book Entry Participant in accordance with the rules and procedures of the Depository.
- (7) Notwithstanding anything herein to the contrary, neither the Corporation nor the Warrant Agent nor any agent thereof shall have any responsibility or liability for:
- (a) the electronic records maintained by the Depository relating to any ownership interests or any other interests in the Warrants or the depository system maintained by the Depository, or payments made on account of any ownership interest or any other interest of any person in any Warrant represented by an electronic position in the book entry registration system (other than the Depository or its nominee);
 - (b) maintaining, supervising or reviewing any records of the Depository or any Book Entry Participant relating to any such interest; or
 - (c) any advice or representation made or given by the Depository or those contained herein that relate to the rules and regulations of the Depository or
-

any action to be taken by the Depository on its own direction or at the direction of any Book Entry Participant.

- (8) The Corporation may terminate the application of this Section 2.6 in its sole discretion in which case all Warrants shall be evidenced by Warrant Certificates registered in the name of a Person other than the Depository.

Section 2.7 Warrant Certificate.

- (1) For Warrants issued in certificated form (including all replacements issued in accordance with this Indenture), the form of certificate representing such Warrants shall be substantially as set out in Schedule "A" hereto or such other form as is authorized in writing from time to time by the Corporation and the Warrant Agent. Each Warrant Certificate shall be Authenticated on behalf of the Warrant Agent. Each Warrant Certificate shall be signed by any one duly authorized signatory of the Corporation whose signature shall appear on the Warrant Certificate and may be printed, lithographed or otherwise mechanically reproduced thereon and, in such event, certificates so signed are as valid and binding upon the Corporation as if it had been signed manually. Any Warrant Certificate which has one signature duly executed by the Corporation as hereinbefore provided shall be valid notwithstanding that the signatory whose signature is printed, lithographed or mechanically reproduced no longer holds office at the date of issuance of such Warrant Certificate. The Warrant Certificates may be engraved, printed or lithographed, or partly in one form and partly in another, as the Warrant Agent may determine.
- (2) The Warrant Agent shall Authenticate Uncertificated Warrants (whether upon original issuance, exchange, registration of transfer, partial payment, or otherwise) by completing its Internal Procedures and the Corporation shall, and hereby acknowledges that it shall, thereupon be deemed to have duly and validly issued such Uncertificated Warrants under this Indenture. Such Authentication shall be conclusive evidence that such Uncertificated Warrant has been duly issued hereunder and that the holder or holders are entitled to the benefits of this Indenture. The register shall be final and conclusive evidence as to all matters relating to Uncertificated Warrants with respect to which this Indenture requires the Warrant Agent to maintain records or accounts. In case of differences between the register at any time and any other time the register at the later time shall be controlling, absent manifest error and such Uncertificated Warrants are binding on the Corporation.
- (3) Any Warrant Certificate validly issued in accordance with the terms of this Indenture in effect at the time of issue of such Warrant Certificate shall, subject to the terms of this Indenture and Applicable Legislation, validly entitle the holder to acquire Warrant Shares, notwithstanding that the form of such Warrant Certificate may not be in the form currently required by this Indenture.
-

- (4) A Registered Warrantholder that is not a U.S. Warrantholder may request their Warrants be held electronically through a book-based registration system, including CDSX.
- (5) No Warrant shall be considered issued or shall be valid or obligatory or shall entitle the holder thereof to the benefits of this Indenture, until it has been Authenticated by the Warrant Agent. Authentication by the Warrant Agent, including by way of entry on the register, shall not be construed as a representation or warranty by the Warrant Agent as to the validity of this Indenture or of such Warrant Certificates or Uncertificated Warrants (except the due Authentication thereof) or as to the performance by the Corporation of its obligations under this Indenture and the Warrant Agent shall in no respect be liable or answerable for the use made of the Warrants or any of them or of the consideration thereof. Authentication by the Warrant Agent shall be conclusive evidence as against the Corporation that the Warrants so Authenticated have been duly issued hereunder and that the holder thereof is entitled to the benefits of this Indenture.
- (6) No Warrant Certificate shall be considered issued and Authenticated or, if Authenticated, shall be obligatory or shall entitle the holder thereof to the benefits of this Indenture, until it has been Authenticated by signature by or on behalf of the Warrant Agent substantially in the form of the Warrant set out in Schedule "A" hereto. Such Authentication on any such Warrant Certificate shall be conclusive evidence that such Warrant Certificate is duly Authenticated and is valid and a binding obligation of the Corporation and that the holder is entitled to the benefits of this Indenture.
- (7) No Uncertificated Warrant shall be considered issued or shall be obligatory or shall entitle the holder thereof to the benefits of this Indenture, until it has been Authenticated by entry on the register of the particulars of the Uncertificated Warrant. Such entry on the register of the particulars of an Uncertificated Warrant shall be conclusive evidence that such Uncertificated Warrant is a valid and binding obligation of the Corporation and that the holder is entitled to the benefits of this Indenture.

ction 2.8 Legends.

- (1) The Warrants (and the Warrant Shares, if issued prior to the date that is four months and one day after closing of the Offering) shall have attached to them, whether through the electronic deposit system of CDS, an ownership statement issued under a direct registration system or other electronic book based system, or on certificates that may be issued, as applicable, any legends as may be prescribed by CDS in addition to the legend substantially in the following form and with the necessary information inserted:

"UNLESS PERMITTED UNDER SECURITIES LEGISLATION, THE HOLDER OF THIS SECURITY MUST NOT TRADE THE SECURITY BEFORE
THE DATE THAT IS FOUR MONTHS PLUS

ONE DAY AFTER THE LATER OF (I) [THE CLOSING DATE], AND (II) THE DATE THE ISSUER BECAME A REPORTING ISSUER IN ANY PROVINCE OR TERRITORY.”

- (2) Neither the Warrants nor the Warrant Shares have been or will be registered under the U.S. Securities Act or under any United States state securities laws. If required under United States securities laws, Warrant Certificates issued for the benefit or account of a U.S. Warrantholder, including any Warrant required to be withdrawn and certificated pursuant to Section 3.2(4), and each Warrant Certificate issued in exchange therefor or in substitution thereof shall bear or be deemed to bear the following legends or such variations thereof as the Corporation may prescribe from time to time:

“THE SECURITIES REPRESENTED BY THIS CERTIFICATE AND THE COMMON SHARES ISSUABLE ON EXERCISE OF THE SECURITIES REPRESENTED BY THIS CERTIFICATE HAVE NOT BEEN REGISTERED UNDER THE UNITED STATES SECURITIES ACT OF 1933, AS AMENDED. THEY MAY NOT BE SOLD, OFFERED FOR SALE, PLEDGED OR HYPOTHECATED IN THE ABSENCE OF AN EFFECTIVE REGISTRATION STATEMENT AS TO THE SECURITIES UNDER SAID ACT OR AN OPINION OF COUNSEL SATISFACTORY TO THE COMPANY THAT SUCH REGISTRATION IS NOT REQUIRED. THE ISSUER OF THESE SECURITIES MAY REQUIRE AN OPINION OF COUNSEL IN FORM AND SUBSTANCE SATISFACTORY TO THE ISSUER TO THE EFFECT THAT ANY PROPOSED TRANSFER OR RESALE IS IN COMPLIANCE WITH THE ACT AND ANY APPLICABLE STATE SECURITIES LAWS. DELIVERY OF THIS CERTIFICATE MAY NOT CONSTITUTE GOOD DELIVERY IN SETTLEMENT OF TRANSACTIONS ON STOCK EXCHANGES IN CANADA.”

If the Warrantholder is an “affiliate” of the issuer for purposes of Rule 144 under the U.S. Securities Act:

“THE SECURITIES REPRESENTED BY THIS CERTIFICATE ARE HELD BY A PERSON WHO MAY BE DEEMED TO BE AN AFFILIATE OF THE ISSUER FOR PURPOSES OF RULE 144 PROMULGATED UNDER THE UNITED STATES SECURITIES ACT OF 1933, AS AMENDED (THE “SECURITIES ACT”). ANY AFFILIATE (AS DEFINED IN RULE 144 UNDER THE SECURITIES ACT) OF THE CORPORATION THAT ACQUIRES THE SECURITIES REPRESENTED BY THIS CERTIFICATE OR ANY SHARE OF COMMON STOCK ISSUED UPON EXERCISE OF

THE SECURITIES REPRESENTED BY THIS CERTIFICATE (OR ANY INTEREST IN ANY OF THE FOREGOING) MAY NOT RESELL SUCH SECURITY OR SHARE (OR INTEREST THEREIN), AS APPLICABLE, UNLESS IN A TRANSACTION THAT IS REGISTERED UNDER THE SECURITIES ACT OR PURSUANT TO AN EXEMPTION FROM THE REGISTRATION REQUIREMENTS OF THE SECURITIES ACT IN A TRANSACTION IMMEDIATELY FOLLOWING WHICH SUCH RESOLD SECURITY OR SHARE (OR INTEREST THEREIN), AS APPLICABLE, IS NOT A "RESTRICTED SECURITY" (AS DEFINED IN RULE 144 UNDER THE SECURITIES ACT)."

The Warrant Agent shall be entitled to request any other documents that it may require in accordance with its internal policies for the removal of the legend set forth above.

- (3) Each CDS Global Warrant, if issued on a certificated basis, originally issued in Canada and held by the Depository, and each CDS Global Warrant issued in exchange therefor or in substitution thereof shall bear or be deemed to bear the following legend or such variations thereof as the Corporation may prescribe from time to time:

"UNLESS THIS CERTIFICATE IS PRESENTED BY AN AUTHORIZED REPRESENTATIVE OF CDS CLEARING AND DEPOSITORY SERVICES INC. ("CDS") TO TERRASCEND CORP. (THE "ISSUER") OR ITS AGENT FOR REGISTRATION OF TRANSFER, EXCHANGE OR PAYMENT, AND ANY CERTIFICATE ISSUED IN RESPECT THEREOF IS REGISTERED IN THE NAME OF CDS & CO, OR IN SUCH OTHER NAME AS IS REQUESTED BY AN AUTHORIZED REPRESENTATIVE OF CDS (AND ANY PAYMENT IS MADE TO CDS & CO. OR TO SUCH OTHER ENTITY AS IS REQUESTED BY AN AUTHORIZED REPRESENTATIVE OF CDS), ANY TRANSFER, PLEDGE OR OTHER USE HEREOF FOR VALUE OR OTHERWISE BY OR TO ANY PERSON IS WRONGFUL SINCE THE REGISTERED HOLDER HEREOF, CDS & CO., HAS A PROPERTY INTEREST IN THE SECURITIES REPRESENTED BY THIS CERTIFICATE HEREIN AND IT IS A VIOLATION OF ITS RIGHTS FOR ANOTHER PERSON TO HOLD, TRANSFER OR DEAL WITH THIS CERTIFICATE."

- (4) Notwithstanding any other provisions of this Indenture, in processing and registering transfers of Warrants, no duty or responsibility whatsoever shall rest upon the Warrant Agent to determine the compliance by any transferor or transferee with the terms of the legend contained in Section 2.8(2), or with the relevant securities laws or regulations, including, without limitation, Regulation S, and the Warrant Agent shall be entitled to
-

assume that all transfers that are processed in accordance with this Indenture are legal and proper.

Section 2.9 Register of Warrants

(1) The Warrant Agent shall maintain records and accounts concerning the Warrants, whether certificated or uncertificated, which shall contain the information called for below with respect to each Warrant, together with such other information as may be required by law or as the Warrant Agent may elect to record. All such information shall be kept in one set of accounts and records which the Warrant Agent shall designate (in such manner as shall permit it to be so identified as such by an unaffiliated party) as the register of the holders of Warrants. The information to be entered for each account in the register of Warrants at any time shall include (without limitation):

- (a) the name and address of the Registered Warrantholder, the date of Authentication thereof and the number of Warrants;
- (b) whether such Warrant is a Warrant Certificate or an Uncertificated Warrant and, if a Warrant Certificate, the unique number or code assigned to and imprinted thereupon and, if an Uncertificated Warrant, the unique number or code assigned thereto if any;
- (c) if any portion thereof has been exercised, the date and price of such exercise, and the remaining balance of such Warrants;
- (d) whether such Warrant has been cancelled; and
- (e) a register of transfers in which all transfers of Warrants and the date and other particulars of each transfer shall be entered.

The register shall be available for inspection by the Corporation and or any Warrantholder during the Warrant Agent's regular business hours on a Business Day and upon payment to the Warrant Agent of its reasonable fees. Any Warrantholder exercising such right of inspection shall first provide an affidavit in form satisfactory to the Corporation and the Warrant Agent stating the name and address of the Warrantholder and agreeing not to use the information therein except in connection with an effort to call a meeting of Warrantholders or to influence the voting of Warrantholders at any meeting of Warrantholders.

(2) Once an Uncertificated Warrant has been Authenticated, the information set forth in the register with respect thereto at the time of Authentication may be altered, modified, amended, supplemented or otherwise changed only to reflect exercise or proper instructions to the Warrant Agent from the holder as provided herein, except that the Warrant Agent may act unilaterally to make purely administrative changes internal to

the Warrant Agent and changes to correct errors. Each person who becomes a holder of an Uncertificated Warrant, by his, her or its acquisition thereof shall be deemed to have irrevocably (a) consented to the foregoing authority of the Warrant Agent to make such minor error corrections and (b) agreed to pay to the Warrant Agent, promptly upon written demand, the full amount of all loss and expense (including without limitation reasonable legal fees of the Corporation and the Warrant Agent plus interest, at an appropriate then prevailing rate of interest to the Warrant Agent), sustained by the Corporation or the Warrant Agent as a proximate result of such error if but only if and only to the extent that such present or former holder realized any benefit as a result of such error and could reasonably have prevented, forestalled or minimized such loss and expense by prompt reporting of the error or avoidance of accepting benefits thereof whether or not such error is or should have been timely detected and corrected by the Warrant Agent; provided, that no person who is a bona fide purchaser shall have any such obligation to the Corporation or to the Warrant Agent.

Section 2.10 Issue in Substitution for Warrant Certificates Lost, etc.

- (1) If any Warrant Certificate becomes mutilated or is lost, destroyed or stolen, the Corporation, subject to Applicable Legislation, shall issue and thereupon the Warrant Agent shall certify, Authenticate and deliver, a new Warrant Certificate of like tenor, and bearing the same legends, if applicable, as the one mutilated, lost, destroyed or stolen in exchange for and in place of and upon cancellation of such mutilated Warrant Certificate, or in lieu of and in substitution for such lost, destroyed or stolen Warrant Certificate, and the substituted Warrant Certificate shall be in a form approved by the Warrant Agent and the Warrants evidenced thereby shall be entitled to the benefits hereof and shall rank equally in accordance with its terms with all other Warrants issued or to be issued hereunder.
- (2) The applicant for the issue of a new Warrant Certificate pursuant to this Section 2.10 shall bear the cost of the issue thereof and in case of loss, destruction or theft shall, as a condition precedent to the issuance thereof, furnish to the Corporation and to the Warrant Agent such evidence of ownership and of the loss, destruction or theft of the Warrant Certificate so lost, destroyed or stolen as shall be satisfactory to the Corporation and to the Warrant Agent, in their sole discretion, acting reasonably, and such applicant shall also be required to furnish an indemnity and surety bond in amount and form satisfactory to the Corporation and the Warrant Agent, in their sole discretion, and shall pay the reasonable charges of the Corporation and the Warrant Agent in connection therewith.

Section 2.11 Exchange of Warrant Certificates.

- (1) Any one or more Warrant Certificates representing any number of Warrants may, upon compliance with the reasonable requirements of the Warrant Agent (including
-

compliance with applicable securities legislation), be exchanged for one or more other Warrant Certificates representing the same aggregate number of Warrants, and bearing the same legends, if applicable, as represented by the Warrant Certificate or Warrant Certificates so exchanged.

- (2) Warrant Certificates may be exchanged only at the Warrant Agency or at any other place that is designated by the Corporation with the approval of the Warrant Agent. Any Warrant Certificate from the holder (or such other instructions, in form satisfactory to the Warrant Agent), tendered for exchange shall be surrendered to the Warrant Agency and cancelled by the Warrant Agent.
- (3) Warrant Certificates exchanged for Warrant Certificates that bear the legends set forth in Section 2.8 shall bear the same legends, as applicable.

ction 2.12 Transfer and Ownership of Warrants.

- (1) The Warrants may only be transferred on the register kept by the Warrant Agent at the Warrant Agency by the holder or its legal representatives or its attorney duly appointed by an instrument in writing in form and execution satisfactory to the Warrant Agent only upon (a) in the case of a Warrant Certificate, surrendering to the Warrant Agent at the Warrant Agency the Warrant Certificates representing the Warrants to be transferred together with a duly executed transfer form as set forth in Schedule "A" attached hereto, (b) in the case of Book Entry Warrants, in accordance with procedures prescribed by the Depository under the book entry registration system, and (c) upon compliance with:

- (i) the conditions herein;
- (ii) such reasonable requirements as the Warrant Agent may prescribe; and
- (iii) all applicable securities legislation and requirements of regulatory authorities;

and such transfer shall be duly noted in such register by the Warrant Agent. Upon compliance with such requirements, the Warrant Agent shall issue to the transferee of a Warrant Certificate, a new Warrant Certificate and to the transferee of an Uncertificated Warrant, an Uncertificated Warrant, or the Warrant Agent shall Authenticate and deliver a Warrant Certificate upon request that part of the CDS Global Warrant be certificated. Transfers within the systems of the Depository are not the responsibility of the Warrant Agent and will not be noted on the register maintained by the Warrant Agent and shall be recorded through the relevant Book Entry Participant in accordance with the book entry registration system as the entitlement holder in respect of such Warrants.

- (2) If a Warrant Certificate tendered for transfer bears the legends set forth in Section 2.8(2), the Warrant Agent shall not register such transfer unless the transferor has provided the Warrant Agent with the Warrant Certificate and such securities may be transferred only (A) to the Corporation, (B) outside the United States in accordance with Rule 904 of Regulation S, if available, and in compliance with applicable local securities laws and regulations, (C) in accordance with the exemption from registration under the U.S. Securities Act provided by Rule 144, if available, and in compliance with applicable state securities laws, or (D) with the prior written consent of the Corporation pursuant to another exemption from registration under the U.S. Securities Act and applicable state securities laws after first providing to the Corporation and the Warrant Agent, in the case of a transfer pursuant to clause (B), an opinion of U.S. counsel of recognized standing in form and substance satisfactory to the Corporation and the Warrant Agent that the offer, sale, pledge or other transfer does not require registration under the U.S. Securities Act or applicable state securities laws and that such legends may be removed. Warrants and, if applicable, Warrant Shares, issued to, or for the account or benefit of, a U.S. Person or person in the United States (and any certificates issued in replacement thereof or in substitution therefor) must be issued only in individually certificated form.
- (3) Subject to the provisions of this Indenture and Applicable Legislation, the Warrantholder shall be entitled to the rights and privileges attaching to the Warrants, and the issue of Warrant Shares by the Corporation upon the exercise of Warrants in accordance with the terms and conditions herein contained shall discharge all responsibilities of the Corporation and the Warrant Agent with respect to such Warrants and neither the Corporation nor the Warrant Agent shall be bound to inquire into the title of any such holder.
- (4) The Corporation will be entitled, and may direct the Warrant Agent, to refuse to recognize any transfer, or enter the name of any transferee, of any Warrant on the register kept by the Warrant Agent, if such transfer would constitute a violation of applicable securities laws or the rules, regulations or policies of any regulatory authority having jurisdiction.
- (5) Any Warrants issued to a transferee upon transfers contemplated by this Section 2.12 shall bear the appropriate legends, as required by applicable securities laws, as set forth in Section 2.8.

Section 2.13 Cancellation of Surrendered Warrants.

All Warrant Certificates surrendered pursuant to Article 3 shall be cancelled by the Warrant Agent and upon such circumstances all such Uncertificated Warrants shall be deemed cancelled and so noted on the register by the Warrant Agent. Upon written request by the Corporation, the Warrant Agent shall furnish to the Corporation a cancellation certificate

identifying the Warrant Certificates so cancelled, the number of Warrants evidenced thereby, the number of Warrant Shares, if any, issued pursuant to such Warrants and the details of any Warrant Certificates issued in substitution or exchange for such Warrant Certificates cancelled.

**ARTICLE 3
EXERCISE OF WARRANTS**

Section 3.1 Right of Exercise.

Subject to the provisions hereof, each Registered Warrantholder may exercise the right conferred on such holder to subscribe for and purchase one (1) Warrant Share for each Warrant after the Issue Date and prior to the Expiry Time and in accordance with the conditions herein.

Section 3.2 Warrant Exercise.

- (1) Other than Warrants held by the Depository, Registered Warrantholders of Warrant Certificates who wish to exercise the Warrants held by them in order to acquire Warrant Shares must complete the exercise form (the “**Exercise Notice**”) attached to the Warrant Certificate(s) which form is attached hereto as Schedule “B”, which may be amended by the Corporation with the consent of the Warrant Agent, if such amendment does not, in the reasonable opinion of the Corporation and the Warrant Agent, which may be based on the advice of Counsel, materially and adversely affect the rights, entitlements and interests of the Warrantholders, and deliver such certificate(s), the executed Exercise Notice and a certified cheque, bank draft or money order payable to or to the order of the Corporation for the aggregate Exercise Price to the Warrant Agent at the Warrant Agency prior to the Expiry Time. The Warrants represented by a Warrant Certificate shall be deemed to be surrendered upon personal delivery of such certificate, Exercise Notice and aggregate Exercise Price or, if such documents are sent by mail or other means of transmission, upon actual receipt thereof by the Warrant Agent at the office referred to above.
 - (2) In addition to completing the Exercise Notice attached to the Warrant Certificate(s), a U.S. Warrantholder, or person requesting delivery of the Warrant Shares issuable upon the exercise of the Warrants in the United States must provide any other information, certifications or other material required by the Exercise Notice to be delivered in connection with the exercise of Warrants
 - (3) Other than Warrants held by the Depository, a Registered Warrantholder of Uncertificated Warrants evidenced by a security entitlement in respect of Warrants must complete the Exercise Notice and deliver the executed Exercise Notice and a certified cheque, bank draft or money order payable to or to the order of the Corporation for the aggregate Exercise Price to the Warrant Agent at the Warrant Agency prior to the Expiry Time. The Uncertificated Warrants shall be deemed to be surrendered upon
-

receipt of the Exercise Notice and aggregate Exercise Price or, if such documents are sent by mail or other means of transmission, upon actual receipt thereof by the Warrant Agent at the office referred to above.

- (4) A beneficial owner of Uncertificated Warrants evidenced by a security entitlement in respect of Warrants in the book entry registration system who desires to exercise his or her Warrants must do so by causing a Book Entry Participant to deliver to the Depository on behalf of the beneficial owner, notice of the beneficial owner's intention to exercise Warrants in a manner acceptable to the Depository. Forthwith upon receipt by the Depository of such notice, as well as payment for the aggregate Exercise Price, the Depository shall deliver to the Warrant Agent confirmation of its intention to exercise Warrants (a "**Confirmation**") in a manner acceptable to the Warrant Agent, including by electronic means through a book based registration system, including CDSX. An electronic exercise of the Warrants initiated by the Book Entry Participant through a book based registration system, including CDSX, shall constitute a representation to both the Corporation and the Warrant Agent that the beneficial owner at the time of exercise of such Warrants (a) is not in the United States; (b) is not a U.S. Person and is not exercising such Warrants on behalf of a U.S. Person or a person in the United States; and (c) did not execute or deliver the notice of the beneficial owner's intention to exercise such Warrants in the United States. If the Book Entry Participant is not able to make or deliver the foregoing representations by initiating the electronic exercise of the Warrants, then such Warrants shall be withdrawn from the book based registration system, including CDSX, by the Book Entry Participant and an individually registered Warrant Certificate shall be issued by the Warrant Agent to such beneficial owner or Book Entry Participant and the exercise procedures set forth in Section 3.2(1) shall be followed.
- (5) Payment representing the aggregate Exercise Price must be provided to the appropriate office of the Book Entry Participant in a manner acceptable to it. A notice in form acceptable to the Book Entry Participant and payment from such beneficial holder should be provided to the Book Entry Participant sufficiently in advance so as to permit the Book Entry Participant to deliver notice and payment to the Depository and for the Depository in turn to deliver notice and payment to the Warrant Agent prior to the Expiry Time. The Depository will initiate the exercise by way of the Confirmation and forward the aggregate Exercise Price electronically to the Warrant Agent and the Warrant Agent will execute the exercise by issuing to the Depository through the book entry registration system the Warrant Shares to which the exercising Warrantholder is entitled pursuant to the exercise. Any expense associated with the exercise process will be for the account of the entitlement holder exercising the Warrants and/or the Book Entry Participant exercising the Warrants on its behalf.
- (6) By causing a Book Entry Participant to deliver notice to the Depository, a Warrantholder shall be deemed to have irrevocably surrendered his or her Warrants so
-

exercised and appointed such Book Entry Participant to act as his or her exclusive settlement agent with respect to the exercise and the receipt of Warrant Shares in connection with the obligations arising from such exercise.

- (7) Any notice which the Depository determines to be incomplete, not in proper form or not duly executed shall for all purposes be void and of no force and effect and the exercise to which it relates shall be considered for all purposes not to have been exercised thereby. A failure by a Book Entry Participant to exercise or to give effect to the settlement thereof in accordance with the Warranholder's instructions will not give rise to any obligations or liability on the part of the Corporation or the Warrant Agent to the Book Entry Participant or the Warranholder.
 - (8) The Exercise Notice referred to in this Section 3.2 shall be signed by the Registered Warranholder, or its executors or administrators or other legal representatives or an attorney of the Registered Warranholder, duly appointed by an instrument in writing satisfactory to the Warrant Agent but such Exercise Notice need not be executed by the Depository.
 - (9) Any exercise referred to in this Section 3.2 shall require that the entire Exercise Price for Warrant Shares so subscribed for must be paid at the time of subscription and such Exercise Price and original Exercise Notice executed by the Registered Warranholder or the Confirmation from the Depository must be received by the Warrant Agent prior to the Expiry Time.
 - (10) Notwithstanding the foregoing in this Section 3.2, Warrants may only be exercised pursuant to this Section 3.2 by or on behalf of a Registered Warranholder (excluding the Depository), as applicable, who makes the certifications set forth on the Exercise Notice set out in Schedule "B" or as provided herein.
 - (11) If the form of Exercise Notice set forth in the Warrant Certificate shall have been amended, the Corporation shall cause the amended Exercise Notice to be forwarded to all Registered Warranholders.
 - (12) Exercise Notices and Confirmations must be delivered to the Warrant Agent at any time during the Warrant Agent's actual business hours on any Business Day prior to the Expiry Time. Any Exercise Notice or Confirmations received by the Warrant Agent after business hours on any Business Day other than the Expiry Date will be deemed to have been received by the Warrant Agent on the next following Business Day.
 - (13) Any Warrant with respect to which a Confirmation or Exercise Notice is not received by the Warrant Agent before the Expiry Time shall be deemed to have expired and become void and all rights with respect to such Warrants shall terminate and be cancelled.
-

Section 3.3 Prohibition on Exercise by U.S. Persons; Legended Certificates

- (1) The Warrants have not been and will not be registered under the U.S. Securities Act or any United States state securities laws and may not be exercised in the United States or by or on behalf of, or for the account or benefit of, a U.S. Person or a person in the United States unless an exemption from such registration requirements is available.
- (2) Notwithstanding Section 3.3(1), Warrants which bear the legends set forth in Section 2.8(2) may be exercised in the United States or by or on behalf of, or for the account or benefit of, a U.S. Person or a person in the United States, provided that the Warrants are exercised in accordance with Box B, C or D of the Exercise Notice and the Corporation has approved the issuance of the Warrant Shares.
- (3) Certificates representing Warrant Shares issued upon the exercise of Warrants, pursuant to Box B, C or D of the Exercise Form attached as Schedule "B", and which are issued and delivered pursuant to Section 3.3(2) shall bear the following legends:

"THE SECURITIES REPRESENTED BY THIS CERTIFICATE HAVE NOT BEEN REGISTERED UNDER THE UNITED STATES SECURITIES ACT OF 1933, AS AMENDED. THEY MAY NOT BE SOLD, OFFERED FOR SALE, PLEDGED OR HYPOTHECATED IN THE ABSENCE OF AN EFFECTIVE REGISTRATION STATEMENT AS TO THE SECURITIES UNDER SAID ACT OR AN OPINION OF COUNSEL SATISFACTORY TO THE COMPANY THAT SUCH REGISTRATION IS NOT REQUIRED. THE ISSUER OF THESE SECURITIES MAY REQUIRE AN OPINION OF COUNSEL IN FORM AND SUBSTANCE SATISFACTORY TO THE ISSUER TO THE EFFECT THAT ANY PROPOSED TRANSFER OR RESALE IS IN COMPLIANCE WITH THE ACT AND ANY APPLICABLE STATE SECURITIES LAWS. DELIVERY OF THIS CERTIFICATE MAY NOT CONSTITUTE GOOD DELIVERY IN SETTLEMENT OF TRANSACTIONS ON STOCK EXCHANGES IN CANADA."

If the Warrantholder is an "affiliate" of the issuer for purposes of Rule 144 under the U.S. Securities Act:

"THE SECURITIES REPRESENTED BY THIS CERTIFICATE ARE HELD BY A PERSON WHO MAY BE DEEMED TO BE AN AFFILIATE OF THE ISSUER FOR PURPOSES OF RULE 144 PROMULGATED UNDER THE UNITED STATES SECURITIES ACT OF 1933, AS AMENDED (THE "SECURITIES ACT"). ANY AFFILIATE (AS DEFINED IN RULE 144 UNDER THE

SECURITIES ACT) OF THE CORPORATION THAT ACQUIRES THE SECURITIES REPRESENTED BY THIS CERTIFICATE (OR ANY INTEREST IN ANY OF THE FOREGOING) MAY NOT RESELL SUCH SECURITY OR SHARE (OR INTEREST THEREIN), AS APPLICABLE, UNLESS IN A TRANSACTION THAT IS REGISTERED UNDER THE SECURITIES ACT OR PURSUANT TO AN EXEMPTION FROM THE REGISTRATION REQUIREMENTS OF THE SECURITIES ACT IN A TRANSACTION IMMEDIATELY FOLLOWING WHICH SUCH RESOLD SECURITY OR SHARE (OR INTEREST THEREIN), AS APPLICABLE, IS NOT A "RESTRICTED SECURITY" (AS DEFINED IN RULE 144 UNDER THE SECURITIES ACT)."

Section 3.4 Transfer Fees and Taxes.

If any of the Warrant Shares subscribed for are to be issued to a person or persons other than the Registered Warrantholder, the Registered Warrantholder shall execute the form of transfer and will comply with such reasonable requirements as the Warrant Agent may stipulate and will pay to the Corporation or the Warrant Agent on behalf of the Corporation, all applicable transfer or similar taxes and the Corporation will not be required to issue or deliver certificates evidencing Warrant Shares unless or until such Warrantholder shall have paid to the Corporation or the Warrant Agent on behalf of the Corporation, the amount of such tax or shall have established to the satisfaction of the Corporation and the Warrant Agent that such tax has been paid or that no tax is due.

Section 3.5 Warrant Agency.

To facilitate the exchange, transfer or exercise of Warrants and compliance with such other terms and conditions hereof as may be required, the Corporation has appointed the Warrant Agent at the Warrant Agency, as the agency at which Warrants may be surrendered for exchange or transfer or at which Warrants may be exercised and the Warrant Agent has accepted such appointment. The Corporation may from time to time designate alternate or additional places as the Warrant Agency (subject to the Warrant Agent's prior approval) and will give notice to the Warrant Agent of any proposed change of the Warrant Agency. Branch registers shall also be kept at such other place or places, if any, as the Corporation, with the approval of the Warrant Agent, may designate. The Warrant Agent will from time to time when requested to do so by the Corporation or any Registered Warrantholder, upon payment of the Warrant Agent's reasonable charges, furnish a list of the names and addresses of Registered Warrantholders showing the number of Warrants held by each such Registered Warrantholder.

Section 3.6 Effect of Exercise of Warrants.

- (1) Upon the exercise of Warrants pursuant to and in compliance with Section 3.2 and subject to Section 3.3 and Section 3.4, the Warrant Shares to be issued pursuant to the Warrants exercised shall be issued or deemed to have been issued and the person or persons to whom such Warrant Shares are to be issued shall become or be deemed to have become the holder or holders of record of such Warrant Shares on the Exercise Date, provided the documents received are in good order, unless the register shall be closed on such date, in which case the Warrant Shares subscribed for shall be issued or deemed to have been issued and such person or persons become or be deemed to have become the holder or holders of record of such Warrant Shares, on the date on which such register is reopened. It is hereby understood that in order for persons to whom Warrant Shares are to be issued, to become holders of Warrant Shares of record on the Exercise Date, beneficial holders must commence the exercise process sufficiently in advance so that the Warrant Agent is in receipt of all items of exercise at least one Business Day prior to such Exercise Date.
- (2) Within five Business Days after the Exercise Date with respect to a Warrant, the Warrant Agent shall use commercially reasonable efforts to cause to be delivered or mailed to the person or persons in whose name or names the Warrant is registered or as directed by the Exercise Form, if so specified in writing by the holder, cause to be delivered to such person or persons at the Warrant Agency where the Warrant Certificate was surrendered, a certificate or certificates for the appropriate number of Warrant Shares subscribed for, or any other appropriate evidence of the issuance of Warrant Shares to such person or persons in respect of Warrant Shares issued under the book entry registration system.

Section 3.7 Partial Exercise of Warrants; Fractions.

- (1) The holder of any Warrants may exercise his or her right to acquire a number of whole Warrant Shares less than the aggregate number which the holder is entitled to acquire. In the event of any exercise of a number of Warrants less than the number which the holder is entitled to exercise, the holder of Warrants upon such exercise shall, in addition, be entitled to receive, without charge therefor, a new Warrant Certificate(s), bearing the same legend, if applicable, or other appropriate evidence of Warrants, in respect of the balance of the Warrants held by such holder and which were not then exercised.
 - (2) Notwithstanding anything herein contained including any adjustment provided for in Section 4.1, the Corporation shall not be required, upon the exercise of any Warrants, to issue fractions of Warrant Shares. Warrants may only be exercised in a sufficient number to acquire whole numbers of Warrant Shares. Any fractional Warrant Shares shall be rounded down to the nearest whole number and the holder of such Warrants
-

shall not be entitled to any compensation in respect of any fractional Warrant Shares which is not issued.

Section 3.8 Expiration of Warrants.

Immediately after the Expiry Time, all rights under any Warrant in respect of which the right of acquisition provided for herein shall not have been exercised shall cease and terminate and each Warrant shall be void and of no further force or effect.

Section 3.9 Accounting and Recording.

- (1) The Warrant Agent shall promptly account to the Corporation with respect to Warrants exercised, and shall promptly forward to the Corporation (or into an account or accounts of the Corporation with the bank or trust company designated by the Corporation for that purpose), all monies received by the Warrant Agent on the subscription of Warrant Shares through the exercise of Warrants. All such monies and any securities or other instruments, from time to time received by the Warrant Agent, shall be received in trust for, and shall be segregated and kept apart by the Warrant Agent, the Warranholders and the Corporation as their interests may appear
- (2) The Warrant Agent shall record the particulars of Warrants exercised, which particulars shall include the names and addresses of the persons who become holders of Warrant Shares on exercise and the Exercise Date, in respect thereof. The Warrant Agent shall provide such particulars in writing to the Corporation within five Business Days of any request by the Corporation therefor.

Section 3.10 Securities Restrictions.

Notwithstanding anything herein contained, Warrant Shares will be issued upon exercise of a Warrant only in compliance with the securities laws of any applicable jurisdiction.

**ARTICLE 4
ADJUSTMENT OF NUMBER OF WARRANT SHARES
AND EXERCISE PRICE**

Section 4.1 Adjustment of Number of Warrant Shares and Exercise Price.

The subscription rights in effect under the Warrants for Warrant Shares issuable upon the exercise of the Warrants shall be subject to adjustment from time to time as follows:

- (a) if, at any time during the Adjustment Period, the Corporation shall:
 - (i) subdivide, re-divide or change its outstanding Common Shares into a greater number of Common Shares;
-

(ii) reduce, combine or consolidate its outstanding Common Shares into a lesser number of Common Shares; or

(iii) issue Common Shares or securities exchangeable for, exercisable for, or convertible into, Common Shares to all or substantially all of the holders of Common Shares by way of stock dividend or other distribution (other than a distribution of Common Shares upon the exercise of Warrants, any other outstanding warrants of the Corporation, outstanding options or other incentive securities of the Corporation);

(any of such events in Section 4.1(a)(i), (ii) or (iii) being called a “**Common Share Reorganization**”) then the Exercise Price in effect on the effective date or record date of such subdivision, re-division, change, reduction, combination, consolidation or distribution, as the case may be, shall in the case of the events referred to in (i) or (iii) above be decreased in proportion to the number of outstanding Common Shares resulting from such subdivision, re-division, change or distribution, or shall, in the case of the events referred to in (ii) above, be increased in proportion to the number of outstanding Common Shares resulting from such reduction, combination or consolidation by multiplying the Exercise Price in effect immediately prior to such effective date or record date by a fraction, the numerator of which shall be the number of Common Shares outstanding on such effective date or record date before giving effect to such Common Share Reorganization and the denominator of which shall be the number of Common Shares outstanding as of the effective date or record date after giving effect to such Common Share Reorganization (including, in the case where securities exchangeable for or convertible into Common Shares are distributed, the number of Common Share that would have been outstanding had such securities been exchanged for, exercised for, or converted into Common Shares on such record date or effective date). Such adjustment shall be made successively whenever any event referred to in this Section 4.1(a) shall occur. Upon any adjustment of the Exercise Price pursuant to Section 4.1(a), the Exchange Rate shall be contemporaneously adjusted by multiplying the number of Common Shares theretofore obtainable on the exercise thereof by a fraction of which the numerator shall be the Exercise Price in effect immediately prior to such adjustment and the denominator shall be the Exercise Price resulting from such adjustment;

(b) if and whenever at any time during the Adjustment Period, the Corporation shall fix a record date for the issuance of rights, options or warrants to all or substantially all the holders of its outstanding Common Shares entitling them, for a period expiring not more than 45 days after such record date, to subscribe for or purchase Common Shares (or securities convertible, exercisable or exchangeable into Common Shares) at a price per Common Share (or having a conversion, exercise or exchange price per Common Share) less than 95% of the Current Market Price on such record date (a “**Rights Offering**”), the

Exercise Price shall be adjusted immediately after such record date so that it shall equal the amount determined by multiplying the Exercise Price in effect on such record date by a fraction, of which the numerator shall be the total number of Common Shares outstanding on such record date plus a number of Common Shares equal to the number arrived at by dividing the aggregate price of the total number of additional Common Shares offered for subscription or purchase (or the aggregate conversion, exercise or exchange price of the convertible, exercisable, or exchangeable securities so offered) by the Current Market Price, and of which the denominator shall be the total number of Common Shares outstanding on such record date plus the total number of additional Common Shares offered for subscription or purchase or into which the convertible, exercisable or exchangeable securities so offered are convertible, exercisable or exchangeable; any Common Shares owned by or held for the account of the Corporation shall be deemed not to be outstanding for the purpose of any such computation; such adjustment shall be made successively whenever such a record date is fixed; to the extent that no such rights or warrants are exercised prior to the expiration thereof, the Exercise Price shall be readjusted to the Exercise Price which would then be in effect if such record date had not been fixed or, if any such rights or warrants are exercised, to the Exercise Price which would then be in effect based upon the number of Common Shares (or securities convertible, exercisable, or exchangeable into Common Shares) actually issued upon the exercise of such rights or warrants, as the case may be. Upon any adjustment of the Exercise Price pursuant to this Section 4.1(b), the Exchange Rate will be adjusted immediately after such record date so that it will equal the rate determined by multiplying the Exchange Rate in effect on such record date by a fraction, of which the numerator shall be the Exercise Price in effect immediately prior to such adjustment and the denominator shall be the Exercise Price resulting from such adjustment. Such adjustment will be made successively whenever such a record date is fixed, provided that if two or more such record dates or record dates referred to in this Section 4.1(b) are fixed within a period of 25 Trading Days, such adjustment will be made successively as if each of such record dates occurred on the earliest of such record dates;

- (c) if and whenever at any time during the Adjustment Period the Corporation shall fix a record date for the making of a distribution to all or substantially all the holders of its outstanding Common Shares of (i) securities of any class, whether of the Corporation or any other entity (other than Common Shares), (ii) rights, options or warrants to subscribe for or purchase Common Shares, or other securities convertible into, exercisable or exchangeable for Common Shares, other than pursuant to a Rights Offering; (iii) evidences of its indebtedness or (iv) any property or other assets then, in each such case, the Exercise Price shall be adjusted immediately after such record date so that it shall equal the price
-

determined by multiplying the Exercise Price in effect on such record date by a fraction, of which the numerator shall be the total number of Common Shares outstanding on such record date multiplied by the Current Market Price on such record date, less the excess, if any, of the fair market value on such record date, as determined, in good faith, by the directors of the Corporation (whose determination shall be conclusive), of such securities or other assets so issued or distributed over the fair market value of any consideration received therefor by the Corporation from the holders of the Common Shares, and of which the denominator shall be the total number of Common Shares outstanding on such record date multiplied by the Current Market Price; and Common Shares owned by or held for the account of the Corporation shall be deemed not to be outstanding for the purpose of any such computation; such adjustment shall be made successively whenever such a record date is fixed; to the extent that such distribution is not so made, the Exercise Price shall be readjusted to the Exercise Price which would then be in effect if such record date had not been fixed. Upon any adjustment of the Exercise Price pursuant to this Section 4.1(c), the Exchange Rate will be adjusted immediately after such record date so that it will equal the rate determined by multiplying the Exchange Rate in effect on such record date by a fraction, of which the numerator shall be the Exercise Price in effect immediately prior to such adjustment and the denominator shall be the Exercise Price resulting from such adjustment;

- (d) if and whenever at any time during the Adjustment Period, there is: (i) a reclassification of the Common Shares; (ii) a capital reorganization of the Corporation other than as described in Section 4.1(a); (iii) a consolidation, amalgamation, arrangement, merger or other business combination of the Corporation with or into any other body corporate, trust, partnership or other entity (other than an amalgamation, arrangement, merger, or other business combination which does not result in any reclassification of the Corporation's outstanding Common Shares or a change or exchange of the Common Shares into other shares); (iv) or a sale, lease, exchange, transfer or conveyance of the undertakings, property or assets of the Corporation as an entirety or substantially as an entirety to any other body corporate, trust, partnership or other entity (any of such events being referred to herein as a "**Capital Reorganization**"), any Registered Warrantholder who has not exercised its right to subscribe for Warrant Shares pursuant to the Warrants prior to the effective date of the Capital Reorganization, upon the exercise of such right thereafter, shall be entitled to receive upon payment of the Exercise Price and shall accept, in lieu of the number of Warrant Shares that prior to such effective date the Registered Warrantholder would have been entitled to receive, the number of shares or other securities or property of the Corporation or of the body corporate, trust, partnership or other entity resulting from such Capital Reorganization, that such Registered Warrantholder would have been entitled
-

to receive on such Capital Reorganization, if, on the effective date thereof, as the case may be, the Registered Warrantholder had been the registered holder of the number of Warrant Shares to which prior to such effective date it was entitled to acquire upon the exercise of the Warrants. If determined appropriate by the Warrant Agent, relying on advice of Counsel, to give effect to or to evidence the provisions of this Section 4.1(d), the Corporation, its successor, or such purchasing body corporate, partnership, trust or other entity, as the case may be, shall, prior to or contemporaneously with any such Capital Reorganization, enter into an indenture which shall provide, to the extent possible, for the application of the provisions set forth in this Indenture with respect to the rights and interests thereafter of the Registered Warrantholders to the end that the provisions set forth in this Indenture shall thereafter correspondingly be made applicable, as nearly as may reasonably be possible, with respect to any shares, other securities or property to which a Registered Warrantholder is entitled on the exercise of its acquisition rights thereafter. Any indenture entered into between the Corporation and the Warrant Agent pursuant to the provisions of this Section 4.1(d) shall be a supplemental indenture entered into pursuant to the provisions of Article 8 hereof. Any indenture entered into between the Corporation, any successor to the Corporation or such purchasing body corporate, partnership, trust or other entity and the Warrant Agent shall provide for adjustments which shall be as nearly equivalent as may be practicable to the adjustments provided in this Section 4.1 and which shall apply to successive Capital Reorganizations;

- (e) in any case in which this Section 4.1 shall require that an adjustment shall become effective immediately after a record date for an event referred to herein, the Corporation may defer, until the occurrence of such event, issuing to the Registered Warrantholder of any Warrant exercised after the record date and prior to completion of such event the additional Warrant Shares issuable upon such exercise by reason of the adjustment required by such event before giving effect to such adjustment; provided, however, that the Corporation shall deliver to such Registered Warrantholder an appropriate instrument evidencing such Registered Warrantholder's right to receive such additional Common Shares upon the occurrence of the event requiring such adjustment and the right to receive any distributions made on such additional Common Shares declared in favour of holders of record of Common Shares on and after the relevant date of exercise or such later date as such Registered Warrantholder would, but for the provisions of this Section 4.1(e), have become the holder of record of such additional Common Shares pursuant to Section 4.1;
 - (f) in any case in which Section 4.1(a)(iii), Section 4.1(b) or Section 4.1(c) require that an adjustment be made to the Exercise Price, no such adjustment shall be made if the Registered Warrantholders of the outstanding Warrants receive,
-

subject to any required stock exchange or regulatory approval, the Common Shares or exchangeable, exercisable, or convertible rights referred to in Section 4.1(a)(iii), or the rights, options, or warrants referred to in Section 4.1(b) or the securities, rights, options, warrants, evidences of indebtedness or assets referred to in Section 4.1(c), as the case may be, in such kind and number as they would have received if they had been holders of Common Shares on the applicable record date or effective date, as the case may be, by virtue of their outstanding Warrant having then been exercised into Common Shares at the Exercise Price in effect on the applicable record date or effective date, as the case may be;

- (g) the adjustments provided for in this Section 4.1 are cumulative, and shall, in the case of adjustments to the Exercise Price be computed to the nearest whole cent and shall apply to successive subdivisions, re-divisions, reductions, changes, combinations, consolidations, distributions, issues or other events resulting in any adjustment under the provisions of this Section 4.1, provided that, notwithstanding any other provision of this Section, no adjustment of the Exercise Price shall be required unless such adjustment would require an increase or decrease of at least 1% in the Exercise Price then in effect or a change in the number of Warrant Shares purchasable upon exercise by at least one one-hundredth (1/100th) of a Common Share, as the case may be; provided, however, that any adjustments which by reason of this Section 4.1(g) are not required to be made shall be carried forward and taken into account in any subsequent adjustment; and
- (h) after any adjustment pursuant to this Section 4.1, the term "**Common Shares**" where used in this Indenture shall be interpreted to mean securities of any class or classes which, as a result of such adjustment and all prior adjustments pursuant to this Section 4.1, the Registered Warrantholder is entitled to receive upon the exercise of his or her Warrant, and the number of Warrant Shares indicated by any exercise made pursuant to a Warrant shall be interpreted to mean the number of Warrant Shares or other property or securities a Registered Warrantholder is entitled to receive, as a result of such adjustment and all prior adjustments pursuant to this Section 4.1, upon the full exercise of a Warrant.

Section 4.2 Entitlement to Warrant Shares on Exercise of Warrant.

All Common Shares or shares of any class or other securities, which a Registered Warrantholder is at the time in question entitled to receive on the exercise of its Warrant, whether or not as a result of adjustments made pursuant to this Article 4, shall, for the purposes of the interpretation of this Indenture, be deemed to be Warrant Shares which such Registered Warrantholder is entitled to acquire pursuant to such Warrant.

Section 4.3 No Adjustment for Certain Transactions.

Notwithstanding anything in this Article 4, no adjustment shall be made in the acquisition rights attached to the Warrants if the issue of Common Shares is being made pursuant to this Indenture or in connection with (a) any share incentive plan or restricted share plan or share purchase plan in force from time to time for directors, officers, employees, consultants or other service providers of the Corporation; or (b) the satisfaction of existing terms of existing instruments issued at the date hereof.

Section 4.4 Determination by Independent Firm.

In the event of any question or dispute arising with respect to the adjustments provided for in this Article 4 such question shall be conclusively determined by an independent firm of chartered professional accountants other than the Auditors, who shall have access to all necessary records of the Corporation, and such determination, absent manifest error, shall be binding upon the Corporation, the Warrant Agent, all holders and all other persons interested therein.

Section 4.5 Proceedings Prior to any Action Requiring Adjustment.

As a condition precedent to the taking of any action which would require an adjustment in any of the acquisition rights pursuant to any of the Warrants, including the number of Warrant Shares which are to be received upon the exercise thereof, the Corporation shall take any action which may, in the opinion of Counsel, be necessary in order that the Corporation has unissued and reserved in its authorized capital and may validly and legally issue as fully paid and non-assessable all the Warrant Shares which the holders of such Warrants are entitled to receive on the full exercise thereof in accordance with the provisions hereof.

Section 4.6 Certificate of Adjustment.

The Corporation shall from time to time immediately after the occurrence of any event which requires an adjustment or readjustment as provided in Section 4.1, deliver a certificate of the Corporation to the Warrant Agent specifying the nature of the event requiring the same and the amount of the adjustment or readjustment necessitated thereby and setting forth in reasonable detail the method of calculation and the facts upon which such calculation is based, which certificate may be supported by a certificate of the Corporation's Auditors verifying such calculation if requested by the Warrant Agent at their discretion. The Warrant Agent shall rely, and shall be protected in so doing, upon the certificate of the Corporation or of the Corporation's Auditor and any other document filed by the Corporation pursuant to this Article 4 for all purposes.

Section 4.7 Notice of Special Matters.

The Corporation covenants with the Warrant Agent that, so long as any Warrant remains outstanding, it will give notice to the Warrant Agent and to the Registered Warranholders of its intention to fix a record date that is prior to the Expiry Date for any matter for which an adjustment may be required pursuant to Section 4.1. Such notice shall specify the particulars of such event and the record date for such event, provided that the Corporation shall only be required to specify in the notice such particulars of the event as shall have been fixed and determined on the date on which the notice is given. The notice shall be given in each case not less than 14 days prior to such applicable record date. If notice has been given and the adjustment is not then determinable, the Corporation shall promptly, after the adjustment is determinable, file with the Warrant Agent a computation of the adjustment and give notice to the Registered Warranholders of such adjustment computation.

Section 4.8 No Action after Notice.

The Corporation covenants with the Warrant Agent that it will not close its transfer books or take any other corporate action which might deprive the Registered Warranholder of the opportunity to exercise its right of acquisition pursuant thereto during the period of 14 days after the giving of the certificate or notices set forth in Section 4.6 and Section 4.7.

Section 4.9 Other Action.

If the Corporation, after the date hereof, shall take any action affecting the Common Shares other than action described in Section 4.1, which in the reasonable opinion of the directors of the Corporation would materially affect the rights of Registered Warranholders, the Exercise Price and/or Exchange Rate, the number of Warrant Shares which may be acquired upon exercise of the Warrants shall be adjusted in such manner and at such time, by action of the directors, acting reasonably and in good faith, in their sole discretion as they may determine to be equitable to the Registered Warranholders in the circumstances, provided that no such adjustment will be made unless any requisite prior approval of any stock exchange on which the Common Shares are listed for trading has been obtained.

Section 4.10 Protection of Warrant Agent.

The Warrant Agent shall not:

- (a) at any time be under any duty or responsibility to any Registered Warranholder to determine whether any facts exist which may require any adjustment contemplated by Section 4.1, or with respect to the nature or extent of any such adjustment when made, or with respect to the method employed in making the same;
-

- (b) be accountable with respect to the validity or value (or the kind or amount) of any Warrant Shares or of any other securities or property which may at any time be issued or delivered upon the exercise of the rights attaching to any Warrant;
- (c) be responsible for any failure of the Corporation to issue, transfer or deliver Warrant Shares or certificates for the same upon the surrender of any Warrants for the purpose of the exercise of such rights or to comply with any of the covenants contained in this Article; and
- (d) incur any liability or be in any way responsible for the consequences of any breach on the part of the Corporation of any of the representations, warranties or covenants herein contained or of any acts of the directors, officers, employees, agents or servants of the Corporation.

Section 4.11 Participation by Warrantholder.

No adjustments shall be made pursuant to this Article 4 if the Registered Warrantholders are entitled to participate in any event described in this Article 4 on the same terms, *mutatis mutandis*, as if the Registered Warrantholders had exercised their Warrants prior to, or on the effective date or record date of, such event and any such participation will be subject to the prior approval of the CSE, as required.

**ARTICLE 5
RIGHTS OF THE CORPORATION AND COVENANTS**

Section 5.1 Optional Purchases by the Corporation.

Subject to compliance with applicable securities legislation and approval of applicable regulatory authorities, if any, the Corporation may from time to time purchase by private contract or otherwise any of the Warrants. Any such purchase shall be made at the lowest price or prices at which, in the opinion of the directors of the Corporation, such Warrants are then obtainable, plus reasonable costs of purchase, and may be made in such manner, from such persons and on such other terms as the Corporation, in its sole discretion, may determine. In the case of Warrant Certificates, Warrant Certificates representing the Warrants purchased pursuant to this Section 5.1 shall forthwith be delivered to and cancelled by the Warrant Agent and reflected accordingly on the register of Warrants. In the case of Uncertificated Warrants, the Warrants purchased pursuant to this Section 5.1 shall be reflected accordingly on the register of Warrants and in accordance with procedures prescribed by the Depository under the book entry registration system. No Warrants shall be issued in replacement thereof.

Section 5.2 General Covenants.

The Corporation covenants with the Warrant Agent that so long as any Warrants remain outstanding:

- (a) it will reserve and keep available a sufficient number of Common Shares for the purpose of enabling it to satisfy its obligations to issue Warrant Shares upon the exercise of the Warrants;
- (b) it will cause the Warrant Shares from time to time acquired pursuant to the exercise of the Warrants to be duly and validly issued and delivered in accordance with the Warrants and the terms hereof;
- (c) upon payment of the aggregate Exercise Price therefor, all Warrant Shares which shall be issued upon exercise of the right to acquire provided for herein shall be fully paid and non-assessable, free and clear of all encumbrances;
- (d) it will use reasonable commercial efforts to maintain its existence and carry on its business and that of its Material Subsidiaries in the ordinary course;
- (e) it will use its commercially reasonable efforts to ensure that all Common Shares outstanding on the date hereof or issuable from time to time (including without limitation the Warrant Shares issuable on the exercise of the Warrants) continue to be or are listed and posted for trading on the CSE or such other Canadian stock exchange acceptable to the Corporation and the Agent, acting reasonably;
- (f) it will use its commercially reasonable efforts to list, and maintain the listing of, the Warrants on the CSE or such other Canadian stock exchange acceptable to the Corporation and the Agent, acting reasonably;
- (g) it will make all requisite filings under applicable Canadian securities legislation including those necessary to remain a reporting issuer not in default in each of the provinces and other Canadian jurisdictions it is or becomes a reporting issuer;
- (h) it will use its commercially reasonable efforts to maintain its status as a “reporting issuer” not in default of the requirements of the applicable securities laws in each of the Provinces of Canada in which it is currently a reporting issuer;
- (i) generally, it will well and truly perform and carry out all of the acts or things to be done by it as provided in this Indenture; and
- (j) it will promptly notify the Warrant Agent and the Warrantholders in writing of any default under the terms of this Warrant Indenture which remains unrectified for more than five days following its occurrence,

provided that no covenant in this Section 5.2 shall be construed as limiting or restricting the Corporation from completing a consolidation, amalgamation, arrangement, takeover bid or

merger or other form of business combination or other transaction that would result in the Common Shares ceasing to be listed and posted for trading on the CSE, so long as the holders of Common Shares receive securities of an entity which is listed on a nationally recognized stock exchange in Canada or the United States, or cash, or the holders of the Common Shares have approved the transaction in accordance with the requirements of applicable corporate and securities laws and the policies of the CSE.

Section 5.3 Warrant Agent's Remuneration and Expenses.

The Corporation covenants that it will pay to the Warrant Agent from time to time reasonable remuneration for its services hereunder and will pay or reimburse the Warrant Agent upon its request for all reasonable expenses, disbursements and advances incurred or made by the Warrant Agent in the administration or execution of its duties hereby created (including the reasonable compensation and the disbursements of its Counsel and all other advisers and assistants not regularly in its employ) both before any default hereunder and thereafter until all duties of the Warrant Agent hereunder shall be finally and fully performed, except any such expense, disbursement or advance as may arise out of or result from the Warrant Agent's gross negligence, wilful misconduct, bad faith or fraud as determined by a court of competent jurisdiction by final non-appealable judgement. Any amount owing hereunder and remaining unpaid after 30 days from the invoice date will bear interest at the then current rate charged by the Warrant Agent against unpaid invoices and shall be payable upon demand. This Section Section 5.3 shall survive the resignation or removal of the Warrant Agent and/or the termination of this Indenture.

Section 5.4 Performance of Covenants by Warrant Agent.

If the Corporation shall fail to perform any of its covenants contained in this Indenture, the Corporation will notify the Warrant Agent in writing of such failure and the Warrant Agent may notify the Registered Warrantholders of such failure on the part of the Corporation and/or may itself perform any of the covenants capable of being performed by it but, subject to Section 9.2, shall be under no obligation to perform said covenants or to notify the Registered Warrantholders of such performance by it. All sums expended or advanced by the Warrant Agent in so doing shall be repayable as provided in Section 5.4. No such performance, expenditure or advance by the Warrant Agent shall relieve the Corporation of any default hereunder or of its continuing obligations under the covenants herein contained.

Section 5.5 Enforceability of Warrants.

The Corporation covenants and agrees that it is duly authorized, and that all necessary corporate action has been taken by the Corporation, to authorize the creation, issuance and delivery of the Warrants to be issued hereunder and that the Warrants, when issued and Authenticated as herein provided, will be valid and enforceable against the Corporation in accordance with the provisions hereof and the terms hereof and that, subject to the provisions

of this Indenture, the Corporation will cause the Warrant Shares from time to time acquired upon exercise of Warrants issued under this Indenture to be duly and validly issued and delivered in accordance with the terms of this Indenture.

ARTICLE 6 ENFORCEMENT

Section 6.1 Suits by Registered Warrantholders.

All or any of the rights conferred upon any Registered Warrantholder by any of the terms of this Indenture may be enforced by the Registered Warrantholder by appropriate proceedings but without prejudice to the right which is hereby conferred upon the Warrant Agent to proceed in its own name to enforce each and all of the provisions herein contained for the benefit of the Registered Warrantholders.

Section 6.2 Suits by the Corporation.

The Corporation shall have the right to enforce full payment of the Exercise Price of all Warrant Shares issued by the Warrant Agent to a Registered Warrantholder hereunder and shall be entitled to demand such payment from the Registered Warrantholder or alternatively to instruct the Warrant Agent to cancel the share certificates representing such Warrant Shares and amend the securities register of the Corporation accordingly.

Section 6.3 Immunity of Shareholders, etc.

Subject to Applicable Legislation, and any rights or remedies available to the Warrant Agent and Warrantholders thereunder, the Warrant Agent and, by the acceptance of the Warrants and as part of the consideration for the issue of the Warrants, the Warrantholders hereby waive and release any right, cause of action or remedy now or hereafter existing in any jurisdiction against any incorporator or any past, present or future shareholder, trustee, employee or agent of the Corporation or any successor entity on any covenant, agreement, representation or warranty by the Corporation herein.

Section 6.4 Waiver of Default.

Upon the happening of any default hereunder:

- (a) the Registered Warrantholders of not less than 51% of the Warrants then outstanding shall have power (in addition to the powers exercisable by Extraordinary Resolution) by requisition in writing to instruct the Warrant Agent to waive any default hereunder and the Warrant Agent shall thereupon waive the default upon such terms and conditions as shall be prescribed in such requisition; or
-

(b) the Warrant Agent shall have power to waive any default hereunder upon such terms and conditions as the Warrant Agent may deem advisable, on the advice of Counsel, if, in the Warrant Agent's opinion, based on the advice of Counsel, the same shall have been cured or adequate provision made therefor;

provided that no delay or omission of the Warrant Agent or of the Registered Warranholders to exercise any right or power accruing upon any default shall impair any such right or power or shall be construed to be a waiver of any such default or acquiescence therein and provided further that no act or omission either of the Warrant Agent or of the Registered Warranholders in the premises shall extend to or be taken in any manner whatsoever to affect any subsequent default hereunder of the rights resulting therefrom.

ARTICLE 7
MEETINGS OF REGISTERED WARRANTHOLDERS

Section 7.1 Right to Convene Meetings.

The Warrant Agent may at any time and from time to time, and shall on receipt of a written request of the Corporation or of a Warranholders' Request and upon being indemnified and funded to its reasonable satisfaction by the Corporation or by the Registered Warranholders signing such Warranholders' Request against the costs which may be incurred in connection with the calling and holding of such meeting, convene a meeting of the Registered Warranholders. If the Warrant Agent fails to so call a meeting within seven days after receipt of such written request of the Corporation or within 30 days after receipt of such Warranholders' Request and the indemnity and funding given as aforesaid, the Corporation or such Registered Warranholders, as the case may be, may convene such meeting. Every such meeting shall be held in the City of Toronto, Ontario or at such other place as may be approved or determined by the Warrant Agent and the Corporation. Any meeting held pursuant to this Article 7 may be done through a virtual or electronic meeting platform, subject to the Warrant Agent's capabilities at the time.

Section 7.2 Notice.

At least 21 days' prior written notice of any meeting of Registered Warranholders shall be given to the Registered Warranholders in the manner provided for in Section 10.2 and a copy of such notice shall be sent by mail to the Warrant Agent (unless the meeting has been called by the Warrant Agent) and to the Corporation (unless the meeting has been called by the Corporation). Such notice shall state the time when and the place where the meeting is to be held, shall state briefly the general nature of the business to be transacted thereat and shall contain such information as is reasonably necessary to enable the Registered Warranholders to make a reasoned decision on the matter, but it shall not be necessary for any such notice to set out the terms of any resolution to be proposed or any of the provisions of this Section 7.2.

Section 7.3 Chairman.

An individual (who need not be a Registered Warrantholder) designated in writing by the Warrant Agent shall be chairman of the meeting and if no individual is so designated, or if the individual so designated is not present within fifteen minutes from the time fixed for the holding of the meeting, the Registered Warrantholders present in person or represented by proxy shall choose an individual present to be chairman.

Section 7.4 Quorum.

Subject to the provisions of Section 7.11, at any meeting of the Registered Warrantholders a quorum shall consist of Registered Warrantholder(s) present in person or represented by proxy holding at least 25% of the aggregate number of the then outstanding Warrants. If a quorum of the Registered Warrantholders shall not be present within thirty minutes from the time fixed for holding any meeting, the meeting, if summoned by Registered Warrantholders or on a Warrantholders' Request, shall be dissolved; but in any other case the meeting shall be adjourned to the same day in the next week (unless such day is not a Business Day, in which case it shall be adjourned to the next following Business Day) at the same time and place and no notice of the adjournment need be given. Any business may be brought before or dealt with at an adjourned meeting which might have been dealt with at the original meeting in accordance with the notice calling the same. No business shall be transacted at any meeting unless a quorum be present at the commencement of business. At the adjourned meeting the Registered Warrantholders present in person or represented by proxy shall form a quorum and may transact the business for which the meeting was originally convened, notwithstanding that they may not hold at least 25% of the then outstanding Warrants.

Section 7.5 Power to Adjourn.

The chairman of any meeting at which a quorum of the Registered Warrantholders is present may, with the consent of the meeting, adjourn any such meeting, and no notice of such adjournment need be given except such notice, if any, as the meeting may prescribe.

Section 7.6 Show of Hands.

Every question submitted to a meeting shall be decided in the first place by a majority of the votes given on a show of hands except that votes on an Extraordinary Resolution shall be given in the manner hereinafter provided. At any such meeting, unless a poll is duly demanded as herein provided, a declaration by the chairman that a resolution has been carried or carried unanimously or by a particular majority or lost or not carried by a particular majority shall be conclusive evidence of the fact.

Section 7.7 Poll and Voting.

- (1) On every Extraordinary Resolution, and on any other question submitted to a meeting and after a vote by show of hands when demanded by the chairman or by one or more of the Registered Warranholders acting in person or represented by proxy and holding in the aggregate at least 5% of the Warrants then outstanding, a poll shall be taken in such manner as the chairman shall direct. Questions other than those required to be determined by Extraordinary Resolution shall be decided by a majority of the votes cast on the poll.
- (2) On a show of hands, every person who is present and entitled to vote, whether as a Registered Warranholder or as proxy for one or more absent Registered Warranholders, or both, shall have one vote. On a poll, each Registered Warranholder present in person or represented by a proxy duly appointed by instrument in writing shall be entitled to one vote in respect of each Warrant then held or represented by it. A proxy need not be a Registered Warranholder. The chairman of any meeting shall be entitled, both on a show of hands and on a poll, to vote in respect of the Warrants, if any, held or represented by him.

Section 7.8 Regulations.

- (1) The Warrant Agent, or the Corporation with the approval of the Warrant Agent, may from time to time make and from time to time vary such regulations as it shall think fit for the setting of the record date for a meeting for the purpose of determining Registered Warranholders entitled to receive notice of and to vote at the meeting.
- (2) Any regulations so made shall be binding and effective and the votes given in accordance therewith shall be valid and shall be counted. Save as such regulations may provide, the only persons who shall be recognized at any meeting as a Registered Warranholder, or be entitled to vote or be present at the meeting in respect thereof (subject to Section 7.9), shall be Registered Warranholders or proxies of Registered Warranholders.

Section 7.9 Corporation and Warrant Agent May be Represented.

The Corporation and the Warrant Agent, by their respective directors, officers, agents, and employees and the Counsel for the Corporation and for the Warrant Agent may attend any meeting of the Registered Warranholders.

Section 7.10 Powers Exercisable by Extraordinary Resolution.

In addition to all other powers conferred upon them by any other provisions of this Indenture or by law, the Registered Warranholders at a meeting shall, subject to the provisions of Section 7.11 and any requisite approval of the CSE (or such other recognized exchange on which the

Common Shares may trade), have the power exercisable from time to time by Extraordinary Resolution:

- (a) to agree to any modification, abrogation, alteration, compromise or arrangement of the rights of Registered Warranholders or the Warrant Agent in its capacity as warrant agent hereunder (subject to the Warrant Agent's prior consent, acting reasonably) or on behalf of the Registered Warranholders against the Corporation whether such rights arise under this Indenture or otherwise;
 - (b) to amend, alter or repeal any Extraordinary Resolution previously passed or sanctioned by the Registered Warranholders;
 - (c) to direct or to authorize the Warrant Agent, subject to Section 9.2(2) hereof, to enforce any of the covenants on the part of the Corporation contained in this Indenture or to enforce any of the rights of the Registered Warranholders in any manner specified in such Extraordinary Resolution or to refrain from enforcing any such covenant or right;
 - (d) to waive, and to direct the Warrant Agent to waive, any default on the part of the Corporation in complying with any provisions of this Indenture either unconditionally or upon any conditions specified in such Extraordinary Resolution;
 - (e) to restrain any Registered Warranholder from taking or instituting any suit, action or proceeding against the Corporation for the enforcement of any of the covenants on the part of the Corporation in this Indenture or to enforce any of the rights of the Registered Warranholders;
 - (f) to direct any Registered Warranholder who, as such, has brought any suit, action or proceeding to stay or to discontinue or otherwise to deal with the same upon payment of the costs, charges and expenses reasonably and properly incurred by such Registered Warranholder in connection therewith;
 - (g) to assent to any change in or omission from the provisions contained in this Indenture or any ancillary or supplemental instrument which may be agreed to by the Corporation, and to authorize the Warrant Agent to concur in and execute any ancillary or supplemental indenture embodying the change or omission;
 - (h) with the consent of the Corporation, such consent not to be unreasonably withheld, to remove the Warrant Agent or its successor in office and to appoint a new warrant agent or warrant agents to take the place of the Warrant Agent so removed; and
-

- (i) to assent to any compromise or arrangement with any creditor or creditors or any class or classes of creditors, whether secured or otherwise, and with holders of any shares or other securities of the Corporation.

Section 7.11 Meaning of Extraordinary Resolution.

- (1) The expression “**Extraordinary Resolution**” when used in this Indenture means, subject as hereinafter provided in this Section 7.11 and in Section 7.14, a resolution proposed at a meeting of Registered Warrantheolders duly convened for that purpose and held in accordance with the provisions of this Article 7 at which there are present in person or represented by proxy Registered Warrantheolders holding at least 25% of the aggregate number of the then outstanding Warrants and passed by the affirmative votes of Registered Warrantheolders holding not less than 66^{2/3}% of the aggregate number of Warrants then outstanding that are present in person or represented by proxy at the meeting and voted on the poll upon such resolution.
- (2) If, at the meeting at which an Extraordinary Resolution is to be considered, Registered Warrantheolders holding at least 25% of the aggregate number of the then outstanding Warrants are not present in person or represented by proxy within 30 minutes after the time appointed for the meeting, then the meeting, if convened by Registered Warrantheolders or on a Warrantheolders’ Request, shall be dissolved; but in any other case it shall stand adjourned to such day, being not less than 15 or more than 60 days later, and to such place and time as may be appointed by the chairman. Not less than 14 days’ prior notice shall be given of the time and place of such adjourned meeting in the manner provided for in Section 10.2. Such notice shall state that at the adjourned meeting the Registered Warrantheolders present in person or represented by proxy shall form a quorum but it shall not be necessary to set forth the purposes for which the meeting was originally called or any other particulars. At the adjourned meeting the Registered Warrantheolders present in person or represented by proxy shall form a quorum and may transact the business for which the meeting was originally convened and a resolution proposed at such adjourned meeting and passed by the requisite vote as provided in Section 7.11(1) shall be an Extraordinary Resolution within the meaning of this Indenture notwithstanding that Registered Warrantheolders holding at least 25% of the aggregate number of the then outstanding Warrants are not present in person or represented by proxy at such adjourned meeting.
- (3) Subject to Section 7.14, votes on an Extraordinary Resolution shall always be given on a poll and no demand for a poll on an Extraordinary Resolution shall be necessary.

Section 7.12 Powers Cumulative.

Any one or more of the powers or any combination of the powers in this Indenture stated to be exercisable by the Registered Warrantheolders by Extraordinary Resolution or otherwise may

be exercised from time to time and the exercise of any one or more of such powers or any combination of powers from time to time shall not be deemed to exhaust the right of the Registered Warranholders to exercise such power or powers or combination of powers then or thereafter from time to time.

Section 7.13 Minutes.

Minutes of all resolutions and proceedings at every meeting of Registered Warranholders shall be made and duly recorded in the books of the Corporation and such minutes as aforesaid, if signed by the chairman or the secretary of the meeting at which such resolutions were passed or proceedings had shall be prima facie evidence of the matters therein stated and, until the contrary is proved, every such meeting in respect of the proceedings of which minutes shall have been made shall be deemed to have been duly convened and held, and all resolutions passed thereat or proceedings taken shall be deemed to have been duly passed and taken.

Section 7.14 Instruments in Writing.

All actions which may be taken and all powers that may be exercised by the Registered Warranholders at a meeting held as provided in this Article 7 may also be taken and exercised by Registered Warranholders holding at least 66 2/3% of the aggregate number of the then outstanding Warrants by an instrument in writing signed in one or more counterparts by such Registered Warranholders in person or by attorney duly appointed in writing, and the expression "**Extraordinary Resolution**" when used in this Indenture shall include an instrument so signed.

Section 7.15 Binding Effect of Resolutions.

Every resolution and every Extraordinary Resolution passed in accordance with the provisions of this Article 7 at a meeting of Registered Warranholders shall be binding upon all the Warranholders, whether present at or absent from such meeting, and every instrument in writing signed by Registered Warranholders in accordance with Section 7.14 shall be binding upon all the Warranholders, whether signatories thereto or not, and each and every Warranholder and the Warrant Agent (subject to the provisions for indemnity herein contained) shall be bound to give effect accordingly to every such resolution and instrument in writing.

Section 7.16 Holdings by Corporation Disregarded.

In determining whether Registered Warranholders holding the required number of the then outstanding Warrants are present at a meeting of Registered Warranholders for the purpose of determining a quorum or have concurred in any consent, waiver, Extraordinary Resolution, Warranholders' Request or other action under this Indenture, Warrants owned legally or beneficially by the Corporation shall be disregarded in accordance with the provisions of Section 10.7.

ARTICLE 8
SUPPLEMENTAL INDENTURES

Section 8.1 Provision for Supplemental Indentures for Certain Purposes.

From time to time, the Corporation (when authorized by action of the directors of the Corporation) and the Warrant Agent may, subject to the provisions hereof and subject to approval of the CSE (or such other exchange on which the Common Shares may trade), as need be, and they shall, when so directed in accordance with the provisions hereof, execute and deliver by their proper officers, indentures or instruments supplemental hereto, which thereafter shall form part hereof, for any one or more or all of the following purposes:

- (a) setting forth any adjustments resulting from the application of the provisions of Article 4;
 - (b) adding to the provisions hereof such additional covenants and enforcement provisions as, in the opinion of Counsel, are necessary or advisable in the premises, provided that the same are not in the opinion of the Warrant Agent, relying on the advice of Counsel, prejudicial to the interests of the Registered Warrantholders;
 - (c) giving effect to any Extraordinary Resolution passed as provided in Section 7.11;
 - (d) making such provisions not inconsistent with this Indenture as may be necessary or desirable with respect to matters or questions arising hereunder or for the purpose of obtaining a listing or quotation of the Warrants on any stock exchange or quotation system, provided that such provisions are not, in the opinion of the Warrant Agent, relying on the advice of Counsel, prejudicial to the interests of the Registered Warrantholders;
 - (e) adding to or altering the provisions hereof in respect of the transfer of Warrants, making provision for the exchange of Warrants, and making any modification in the form of the Warrant Certificates which does not affect the substance thereof;
 - (f) modifying any of the provisions of this Indenture, including relieving the Corporation from any of the obligations, conditions or restrictions herein contained, provided that such modification or relief shall be or become operative or effective only if, in the opinion of the Warrant Agent, relying on the advice of Counsel, such modification or relief in no way prejudices any of the rights of the Registered Warrantholders or of the Warrant Agent, and provided further that the Warrant Agent may in its sole discretion decline to enter into any such supplemental indenture which in its opinion may not afford
-

adequate protection to the Warrant Agent when the same shall become operative;

- (g) providing for the issuance of additional Warrants hereunder, including Warrants in excess of the number set out in Section 2.1 and any consequential amendments hereto as may be required by the Warrant Agent relying on the advice of Counsel; and
- (h) for any other purpose not inconsistent with the terms of this Indenture, including the correction or rectification of any ambiguities, defective or inconsistent provisions, errors, mistakes or omissions herein, provided that in the opinion of the Warrant Agent, relying on the advice of Counsel, the rights of the Warrant Agent and of the Registered Warrantholders are in no way prejudiced thereby.

ction 8.2 Successor Entities.

In the case of the consolidation, amalgamation, arrangement, merger or transfer of the undertaking or assets of the Corporation as an entirety or substantially as an entirety to or with another entity (“**successor entity**”), the successor entity resulting from such consolidation, amalgamation, arrangement, merger or transfer (if not the Corporation) shall expressly assume, by supplemental indenture satisfactory in form to the Warrant Agent and executed and delivered to the Warrant Agent, the due and punctual performance and observance of each and every covenant and condition of this Indenture to be performed and observed by the Corporation.

**ARTICLE 9
CONCERNING THE WARRANT AGENT**

ction 9.1 Indenture Legislation.

- (1) If and to the extent that any provision of this Indenture limits, qualifies or conflicts with a mandatory requirement of Applicable Legislation, such mandatory requirement shall prevail.
- (2) The Corporation and the Warrant Agent agree that each will, at all times in relation to this Indenture and any action to be taken hereunder, observe and comply with and be entitled to the benefits of Applicable Legislation.

ction 9.2 Rights and Duties of Warrant Agent.

- (1) In the exercise of the rights and duties prescribed or conferred by the terms of this Indenture, the Warrant Agent shall exercise that degree of care, diligence and skill that a reasonably prudent warrant agent would exercise in comparable circumstances. No provision of this Indenture shall be construed to relieve the Warrant Agent from
-

liability for its own gross negligence, wilful misconduct, bad faith or fraud under this Indenture.

- (2) The obligation of the Warrant Agent to commence or continue any act, action or proceeding for the purpose of enforcing any rights of the Warrant Agent or the Registered Warrantholders hereunder shall be conditional upon the Registered Warrantholders furnishing, when required by notice by the Warrant Agent, sufficient funds to commence or to continue such act, action or proceeding and an indemnity reasonably satisfactory to the Warrant Agent to protect and to hold harmless the Warrant Agent and its officers, directors, employees, successors, assigns and agents, against the costs, charges and expenses and liabilities to be incurred thereby and any loss and damage it may suffer by reason thereof. None of the provisions contained in this Indenture shall require the Warrant Agent to expend or to risk its own funds or otherwise to incur financial liability in the performance of any of its duties or in the exercise of any of its rights or powers unless indemnified and funded as aforesaid.
- (3) The Warrant Agent may, before commencing or at any time during the continuance of any such act, action or proceeding, require the Registered Warrantholders, at whose instance it is acting to deposit with the Warrant Agent the Warrant Certificates held by them, for which Warrants the Warrant Agent shall issue receipts.
- (4) Every provision of this Indenture that by its terms relieves the Warrant Agent of liability or entitles it to rely upon any evidence submitted to it is subject to the provisions of Applicable Legislation.

Section 9.3 Evidence, Experts and Advisers.

- (1) In addition to the reports, certificates, opinions and other evidence required by this Indenture, the Corporation shall furnish to the Warrant Agent such additional evidence of compliance with any provision hereof, and in such form, as may be prescribed by Applicable Legislation or as the Warrant Agent may reasonably require by written notice to the Corporation.
 - (2) In the exercise of its rights and duties hereunder, the Warrant Agent may, if it is acting in good faith, rely as to the truth of the statements and the accuracy of the opinions expressed in statutory declarations, opinions, reports, written requests, consents, or orders of the Corporation, certificates of the Corporation or other evidence furnished to the Warrant Agent pursuant to a request of the Warrant Agent, provided that such evidence complies with Applicable Legislation and that the Warrant Agent complies with Applicable Legislation and that the Warrant Agent examines the same and determines that such evidence complies with the applicable requirements of this Indenture.
-

- (3) Whenever it is provided in this Indenture or under Applicable Legislation that the Corporation shall deposit with the Warrant Agent resolutions, certificates, reports, opinions, requests, orders or other documents, it is intended that the truth, accuracy and good faith on the effective date thereof and the facts and opinions stated in all such documents so deposited shall, in each and every such case, be conditions precedent to the right of the Corporation to have the Warrant Agent take the action to be based thereon.
- (4) The Warrant Agent may employ or retain such Counsel, accountants, appraisers or other experts or advisers as it may reasonably require for the purpose of discharging and determining its duties hereunder and may pay reasonable remuneration for all services so performed by any of them, without taxation of costs of any Counsel, and shall not be responsible for any misconduct or negligence on the part of any such experts or advisers who have been appointed with due care by the Warrant Agent. For greater certainty, the Corporation (and not the Warranholders) shall be responsible for paying or reimbursing the Warrant Agent for any reasonable fees, expenses and disbursements of such counsel or advisers, if required in accordance with Section 5.4.
- (5) The Warrant Agent may act and rely and shall be protected in acting and relying in good faith on the opinion or advice of or information obtained from any Counsel, accountant, appraiser, engineer or other expert or adviser, whether retained or employed by the Corporation or by the Warrant Agent, in relation to any matter arising in the administration of the agency hereof.

ction 9.4 Documents, Monies, etc. Held by Warrant Agent.

Until released in accordance with this Indenture, any funds received hereunder shall be kept in segregated records of the Warrant Agent and the Warrant Agent shall place the funds in segregated bank accounts of the Warrant Agent at one or more of the Canadian Chartered Banks listed in Schedule 1 of the *Bank Act* (Canada) ("**Approved Bank**"). All amounts held by the Warrant Agent pursuant to this Indenture shall be held by the Warrant Agent for the Corporation and the delivery of the funds to the Warrant Agent shall not give rise to a debtor-creditor or other similar relationship. The amounts held by the Warrant Agent pursuant to this Indenture are at the sole risk of the Corporation and, without limiting the generality of the foregoing, the Warrant Agent shall have no responsibility or liability for any diminution of the funds which may result from any deposit made with an Approved Bank pursuant to this section, including any losses resulting from a default by the Approved Bank or other credit losses (whether or not resulting from such a default). The parties hereto acknowledge and agree that the Warrant Agent will have acted prudently in depositing the funds at any Approved Bank, and that the Warrant Agent is not required to make any further inquiries in respect of any such bank. The Warrant Agent may hold cash balances constituting part or all of such monies and need not, invest the same; the Warrant Agent shall not be liable to account for any profit to any parties to this Indenture or to any other person or entity.

Section 9.5 Actions by Warrant Agent to Protect Interest.

Subject to the provisions of this Indenture and Applicable Legislation, the Warrant Agent shall have power to institute and to maintain such actions and proceedings as it may consider necessary or expedient to preserve, protect or enforce its interests and the interests of the Registered Warranholders.

Section 9.6 Warrant Agent Not Required to Give Security.

The Warrant Agent shall not be required to give any bond or security in respect of the execution of the agency and powers of this Indenture or otherwise in respect of the premises.

Section 9.7 Protection of Warrant Agent.

By way of supplement to the provisions of any law for the time being relating to the Warrant Agent it is expressly declared and agreed as follows:

- (a) the Warrant Agent shall not be liable for or by reason of any statements of fact or recitals in this Indenture or in the Warrant Certificates (except the representation contained in the Authentication of the Warrant Agent on the Warrant Certificates) or be required to verify the same, but all such statements or recitals are and shall be deemed to be made by the Corporation;
 - (b) nothing herein contained shall impose any obligation on the Warrant Agent to see to or to require evidence of the registration or filing (or renewal thereof) of this Indenture or any instrument ancillary or supplemental hereto;
 - (c) the Warrant Agent shall not be bound to give notice to any person or persons of the execution hereof;
 - (d) the Warrant Agent shall not incur any liability or responsibility whatsoever or be in any way responsible for the consequence of any breach on the part of the Corporation of any of its covenants herein contained or of any acts of any directors, officers, employees, agents or servants of the Corporation;
 - (e) the Corporation hereby indemnifies and agrees to hold harmless the Warrant Agent, its affiliates, their officers, directors, employees, agents, successors and assigns (the **"Indemnified Parties"**) from and against any and all liabilities whatsoever, losses, damages, penalties, claims, demands, actions, suits, proceedings, costs, charges, assessments, judgments, expenses and disbursements, including reasonable legal fees and disbursements of whatever kind and nature which may at any time be imposed on or incurred by or asserted against the Indemnified Parties, or any of them, whether at law or in equity, in any way caused by or arising, directly or indirectly, in respect of any act, deed,
-

matter or thing whatsoever made, done, acquiesced in or omitted in or about or in relation to the execution of the Indemnified Parties' duties, or any other services that the Warrant Agent may provide in connection with or in any way relating to this Indenture. The Corporation agrees that its liability hereunder shall be absolute and unconditional regardless of the correctness of any representations of any third parties and regardless of any liability of third parties to the Indemnified Parties, and shall accrue and become enforceable without prior demand or any other precedent action or proceeding; provided that the Corporation shall not be required to indemnify the Indemnified Parties in the event of the gross negligence, wilful misconduct, bad faith or fraud of the Warrant Agent, and this provision shall survive the resignation or removal of the Warrant Agent or the termination or discharge of this Indenture;

(f) notwithstanding the foregoing or any other provision of this Indenture, any liability of the Warrant Agent shall be limited, in the aggregate, to the amount of annual retainer fees paid by the Corporation to the Warrant Agent under this Indenture in the 12 months immediately prior to the Warrant Agent receiving the first notice of the claim. Notwithstanding any other provision of this Indenture, and whether such losses or damages are foreseeable or unforeseeable, the Warrant Agent shall not be liable under any circumstances whatsoever for any (i) breach by any other party of securities law or other rule of any securities regulatory authority, (ii) lost profits or (iii) special, indirect, incidental, consequential, exemplary, aggravated or punitive losses or damages. Notwithstanding any other provision hereof, this provision shall survive the resignation or removal of the Warrant Agent or the termination or discharge of this Indenture; and

(g) in the event that any of the funds provided to the Warrant Agent hereunder are received by it in the form of an uncertified cheque or bank draft, the Warrant Agent shall be entitled to delay the time for release of such funds until such uncertified cheque has cleared the financial institution upon which the same is drawn.

Section 9.8 Replacement of Warrant Agent; Successor by Merger.

(1) The Warrant Agent may resign its agency and be discharged from all further duties and liabilities hereunder, subject to this Section 9.8, by giving to the Corporation not less than 60 days' prior notice in writing or such shorter prior notice as the Corporation may accept as sufficient. The Registered Warranholders by Extraordinary Resolution, and in accordance with Section 7.10(h), shall have power at any time to remove the existing Warrant Agent and to appoint a new warrant agent. In the event of the Warrant Agent resigning or being removed as aforesaid or being dissolved, becoming bankrupt, going into liquidation or otherwise becoming incapable of acting hereunder, the Corporation

shall forthwith appoint a new warrant agent unless a new warrant agent has already been appointed by the Registered Warrantholders; failing such appointment by the Corporation, the retiring Warrant Agent or any Registered Warrantholder may apply to a judge of the Province of Ontario on such notice as such judge may direct, for the appointment of a new warrant agent; but any new warrant agent so appointed by the Corporation or by the Court shall be subject to removal as aforesaid by the Registered Warrantholders. Any new warrant agent appointed under any provision of this Section 9.8 shall be an entity authorized to carry on the business of a trust company in the Province of Ontario and, if required by the Applicable Legislation for any other provinces, in such other provinces. On any such appointment the new warrant agent shall be vested with the same powers, rights, duties and responsibilities as if it had been originally named herein as Warrant Agent hereunder.

(2) Upon the appointment of a successor warrant agent, the Corporation shall promptly notify the Registered Warrantholders thereof in the manner provided for in Section 10.2.

(3) Any Warrant Certificates Authenticated but not delivered by a predecessor Warrant Agent may be Authenticated by the successor Warrant Agent in the name of the successor Warrant Agent.

(4) Any corporation into which the Warrant Agent may be merged or consolidated or amalgamated, or any corporation resulting therefrom to which the Warrant Agent shall be a party, or any corporation succeeding to substantially the corporate trust business of the Warrant Agent shall be the successor to the Warrant Agent hereunder without any further act on its part or any of the parties hereto, provided that such corporation would be eligible for appointment as successor Warrant Agent under Section 9.8(1).

Section 9.9 Acceptance of Agency

The Warrant Agent hereby accepts the agency in this Indenture declared and provided for and agrees to perform the same upon the terms and conditions herein set forth and agrees to hold all rights, interests and benefits herein on behalf of those persons who become holders of Warrants from time to time under this Indenture, unless and until discharged therefrom by resignation or in some other lawful way.

Section 9.10 Warrant Agent Not to be Appointed Receiver.

The Warrant Agent and any person related to the Warrant Agent shall not be appointed a receiver, a receiver and manager or liquidator of all or any part of the assets or undertaking of the Corporation.

Section 9.11 Authorization to Carry on Business

The Warrant Agent represents to the Corporation that as at the date of the execution and delivery of this Indenture, it is duly authorized and qualified to carry on the business of a trust company in the Province of Ontario.

Section 9.12 Warrant Agent Not Required to Give Notice of Default.

The Warrant Agent shall not be bound to give any notice or do or take any act, action or proceeding by virtue of the powers conferred on it hereby unless and until it shall have been required so to do under the terms hereof; nor shall the Warrant Agent be required to take notice of any default hereunder, unless and until notified in writing of such default, which notice shall distinctly specify the default desired to be brought to the attention of the Warrant Agent and in the absence of any such notice the Warrant Agent may for all purposes of this Indenture conclusively assume that no default has been made in the observance or performance of any of the representations, warranties, covenants, agreements or conditions contained herein. Any such notice shall in no way limit any discretion herein given to the Warrant Agent to determine whether or not the Warrant Agent shall take action with respect to any default.

Section 9.13 Anti-Money Laundering.

- (1) The Corporation hereby represents to the Warrant Agent that any account to be opened by, or interest to be held by the Warrant Agent in connection with this Indenture, for or to the credit of such party, either (a) is not intended to be used by or on behalf of any third party; or (b) is intended to be used by or on behalf of a third party, in which case the Corporation agrees to complete and execute forthwith a declaration in the Warrant Agent's prescribed form as to the particulars of such third party.
 - (2) The Warrant Agent shall retain the right not to act and shall not be liable for refusing to act if, due to a lack of information or for any other reason whatsoever, the Warrant Agent, in its sole judgment, determines that such act might cause it to be in non-compliance with any applicable anti-money laundering, anti-terrorist or economic sanctions legislation, regulation or guideline. Further, should the Warrant Agent, in its sole judgment, determine at any time that its acting under this Indenture has resulted in its being in non-compliance with any applicable anti-money laundering, anti-terrorist or economic sanctions legislation, regulation or guideline, then it shall have the right to resign on 10 days written notice to the other parties to this Indenture, provided (a) that the Warrant Agent's written notice shall describe the circumstances of such non-compliance; and (b) that if such circumstances are rectified to the Warrant Agent's satisfaction within such 10 day period, then such resignation shall not be effective.
-

Section 9.14 Compliance with Privacy Code.

If, in any jurisdiction, any provision of this Indenture or its application to any party or circumstance is restricted, prohibited or unenforceable, such provision will, as to such jurisdiction, be ineffective only to the extent of such restriction, prohibition or unenforceability without invalidating the remaining provisions of this Indenture and without affecting the validity or enforceability of such provision in any other jurisdiction or without affecting its application to other parties or circumstances.

on 10.9 Force Majeure

Neither party hereto shall be liable to the other, or held in breach of this Indenture, if prevented, hindered, or delayed in the performance or observance of any provision contained herein by reason of act of God, riots, terrorism, acts of war, epidemics, governmental action or judicial order, earthquakes, or any other similar causes (including, but not limited to, mechanical, electronic or communication interruptions, disruptions or failures). In such cases, the holder shall seek a refund directly from the Corporation and subsequently, the Corporation, upon surrender to the Corporation or the Warrant Agent of any underlying Warrant Shares or other securities that may have been issued, or such other procedure as agreed to by the parties hereto, shall instruct the Warrant Agent in writing, to cancel the exercise transaction and any such underlying Warrant Shares or other securities on the register, which may have already been issued upon the Warrant exercise. In the event that

any payment is received from the Corporation by virtue of the holder being a shareholder for such Warrants that were subsequently rescinded, such payment must be returned to the Corporation by such holder. The Warrant Agent shall not be under any duty or obligation to take any steps to ensure or enforce the return of the funds pursuant to this section, nor shall the Warrant Agent be in any other way responsible in the event that any payment is not delivered or received pursuant to this section. Notwithstanding the foregoing, in the event that the Corporation provides the refund to the Warrant Agent for distribution to the holder, the Warrant Agent shall return such funds to the holder as soon as reasonably practicable, and in so doing, the Warrant Agent shall incur no liability with respect to the delivery or non-delivery of any such funds.

(x)The funds representing the Subscription Amount which will be advanced by the Subscriber to the Corporation hereunder, will not represent proceeds of crime for the purposes of the *Proceeds of Crime (Money Laundering) and Terrorist Financing Act* (Canada) (the “**PCMLTFA**”) and the Subscriber acknowledges that the Corporation may in the future be required by law to disclose the Subscriber’s name and other information relating to this Subscription Agreement and the Subscriber’s subscription hereunder, on a confidential basis, pursuant to the PCMLTFA. The Subscriber represents and covenants that (a) to the best of the Subscriber’s knowledge, none of the Subscription Amount to be provided by the Subscriber (i) has been or will be derived from or related to any activity that is deemed criminal under the laws of Canada, the United States, or any other jurisdiction, or (ii) is being tendered on behalf of a person or entity who has not been identified to the Subscriber, and (b) the Subscriber shall promptly notify the Corporation if the Subscriber discovers that any of such representations cease to be true, and to provide the Corporation with appropriate information in connection therewith.

(y)the Subscriber is purchasing the Units as principal for its own account, or for the account of a beneficial purchaser for which it is acting as fiduciary or agent, for investment purposes only, and not with a view to the resale or distribution of all or any of the Common Shares or Warrants in violation of United States federal or state securities laws;

(z)the Subscriber acknowledges that the Common Shares, Warrants or Underlying Shares have not been registered under the U.S. Securities Act or the securities laws of any state of the United States, and therefore may not be offered or sold unless registered under the U.S. Securities Act and the securities laws of all applicable states of the United States or an exemption from such registration requirements is available, and the Subscriber therefore acknowledges and agrees that the Common Shares, Warrants or Underlying Shares will be “restricted securities” within the meaning of Rule 144 under the U.S. Securities Act, and may not be offered, sold, pledged or otherwise transferred, directly or indirectly, unless (i) they are subsequently registered under the U.S. Securities Act and applicable state securities laws or (ii) an exemption from the registration requirements of the U.S. Securities Act and applicable state securities laws is available,

and that prior to any transfer of the Common Shares, Warrants or Underlying Shares, the Subscriber may be required to deliver to the Corporation and the transfer agent for the Common Shares a legal opinion of recognized counsel, or other evidence in form and substance reasonably satisfactory to the Corporation, to the effect that such transfer does not require registration under the U.S. Securities Act or applicable state securities laws;

(aa)the Subscriber understands, acknowledges and agrees that upon the original issuance of the Common Shares and Underlying Shares, and until such time as the same is no longer required under applicable requirements of the U.S. Securities Act or applicable state securities laws, the certificates representing the Common Shares and Underlying Shares may bear a legend in substantially the following form, in addition to any other legends required by applicable law:

“THE SECURITIES REPRESENTED BY THIS CERTIFICATE HAVE NOT BEEN REGISTERED UNDER THE UNITED STATES SECURITIES ACT OF 1933, AS AMENDED. DELIVERY OF THIS CERTIFICATE MAY NOT CONSTITUTE GOOD DELIVERY IN SETTLEMENT OF TRANSACTIONS ON STOCK EXCHANGES IN CANADA.”

If the Subscriber is an “affiliate” of the issuer for purposes of Rule 144 under the U.S. Securities Act:

ANY AFFILIATE (AS DEFINED IN RULE 144 UNDER THE SECURITIES ACT) OF THE CORPORATION THAT ACQUIRES THE SECURITIES REPRESENTED BY THIS CERTIFICATE (OR ANY INTEREST IN ANY OF THE FOREGOING) MAY NOT RESELL SUCH SECURITY OR SHARE (OR INTEREST THEREIN), AS APPLICABLE, UNLESS IN A TRANSACTION THAT IS REGISTERED UNDER THE SECURITIES ACT OR PURSUANT TO AN EXEMPTION FROM THE REGISTRATION REQUIREMENTS OF THE SECURITIES ACT IN A TRANSACTION IMMEDIATELY FOLLOWING WHICH SUCH RESOLD SECURITY OR SHARE (OR INTEREST THEREIN), AS APPLICABLE, IS NOT A “RESTRICTED SECURITY” (AS DEFINED IN RULE 144 UNDER THE SECURITIES ACT).”

(bb)the Subscriber understands, acknowledges and agrees that upon the original issuance of the Warrants, and until such time as the same is no longer required under applicable

requirements of the U.S. Securities Act or applicable state securities laws, the certificates representing the Warrants may bear a legend in substantially the following form, in addition to any other legends required by applicable law:

“THE SECURITIES REPRESENTED BY THIS CERTIFICATE AND THE COMMON SHARES ISSUABLE ON EXERCISE OF THE SECURITIES REPRESENTED BY THIS CERTIFICATE HAVE NOT BEEN REGISTERED UNDER THE UNITED STATES SECURITIES ACT OF 1933, AS AMENDED. If the Subscriber is an “affiliate” of the issuer for purposes of Rule 144 under the U.S. Securities Act:

(k) Legal counsel retained by the Corporation is acting as counsel to the Corporation, not as counsel to the Subscriber.

(l) The offer, issuance, sale and delivery of the Units is conditional upon such sale being exempt from the prospectus filing or registration requirements and the requirements to deliver an offering memorandum in connection with the distribution of the Units under the Securities Laws of the jurisdiction in which the Subscriber resides and other applicable Securities Laws or upon the issuance of such orders, consents or approvals as may be required to permit such sale without the requirement of filing a prospectus.

The Subscriber's personal information may be disclosed by the Corporation to: (a) stock exchanges or securities regulatory authorities, (b) the Canada Revenue Agency, and (c) any of the other parties involved in the Offering, including legal counsel and may be included in record books in connection with the Offering. The Subscriber also consents to the filing of copies or originals of any of the Subscriber's documents as may be required to be filed with any stock exchange or securities regulatory authority in connection with the transactions contemplated hereby. The Subscriber represents and warrants that it has the authority to provide the consents and acknowledgements set out in this paragraph on behalf of each Disclosed Principal.

(p) The Subscriber acknowledges and consents to the collection, use and disclosure of personal information, including information provided by the Subscriber on the face page of this Subscription Agreement and in the Schedules attached hereto, by the CSE and its affiliates, authorized agents, subsidiaries and divisions, including the CSE for the following purposes: (i) to verify personal information that has been provided about each individual, (ii) to provide disclosure to market participants as to the security holdings of directors, officers, other insiders and promoters of the issuer or its associates or affiliates, (iii) to conduct enforcement proceedings, and (iv) to perform other investigations as required by and to ensure compliance with all applicable rules, policies, rulings and regulations of the CSE, Securities Laws and other legal and regulatory requirements governing the conduct and protection of the public markets in Canada. self-regulatory organizations, regulations services providers and each of their subsidiaries, affiliates, regulators and authorized agents, to ensure that the purposes set out above can be accomplished. The personal information collected by the CSE may also be disclosed (i) to the aforementioned agencies and organizations or as otherwise permitted or required by law and may be used for the purposes described above for their own investigations, and (ii) on the CSE's website or through printed materials published by or pursuant to the directions of the CSE. The CSE may from time to time use third parties to process information and/or provide other administrative services and may share information with such third party services providers.

(q)The information provided by the Subscriber on the face page of this Subscription Agreement identifying the name, address and telephone number of the Subscriber, the number of Units being purchased hereunder, the Subscription Amount, the Closing Date and the exemption that the Subscriber is relying on in purchasing the Units will be disclosed to certain Securities Regulators, and such information is being indirectly collected by the Securities Regulators under the authority granted to it under securities legislation. This information is being collected for the purposes of the administration and enforcement of the securities legislation of the jurisdiction and policy development. The Subscriber hereby acknowledges and consents to the collection, use, and disclosure of certain personal information by the applicable Security Regulators, including the publishing or otherwise making available to the public personal information including, for individuals, their name, number and type of securities purchased, the total Subscription Amount, and their Insider or Registrant status, if applicable, and for non-individual Subscribers, the above information and their address, contact person name and telephone number and the exemption that the Subscriber is relying on in purchasing the Units. If required by applicable securities legislation, regulatory policy or order or by any securities commission, stock exchange or other regulatory authority, the Subscriber will execute, deliver and file and otherwise assist the Corporation in filing reports, questionnaires, undertakings and other documents with respect to the issuance of the Common Shares and Warrants.

(r)In the event the Subscriber has any questions with respect to the indirect collection of such information by the Securities Regulators, the Subscriber should contact the securities regulatory authority at the contact details provided in Schedule "C".

(s)There may be material tax consequences to the Subscriber of an acquisition or disposition of the Common Shares, Warrants or Underlying Shares, and the Corporation does not give any opinion or make any representation with respect to the tax consequences to the Subscriber under United States federal, state or local, Canadian federal, provincial or local or other foreign tax law with respect to the foregoing.

6.3 Industry Specific Acknowledgements and Risks

The Subscriber, on its own behalf and, if applicable, on behalf of each beneficial purchaser, including any Disclosed Principal, for whom it is acting hereunder, hereby acknowledges, covenants and agrees as follows:

(a)*Nature of the business model.* Since the cultivation, manufacturing, possession and distribution of cannabis for medical, adult-use (i.e., recreational) or otherwise, that is not related to research sanctioned by the United States federal government, is prohibited under Federal Cannabis Laws, it is possible that the Corporation may be forced to cease

LEGAL*59270903.3

certain of the Corporation's activities. The United States federal government, through, among others, the Department of Justice ("DOJ"), its sub-agency the Drug Enforcement Agency ("DEA"), and the Internal Revenue Service ("IRS"), have the right to actively investigate, audit and shutdown cannabis growing facilities, processors and retailers. The United States federal government may also attempt to seize property. Any action taken by the DOJ, the DEA and/or the IRS to impede, seize or shutdown the Corporation's operations will have an adverse effect on the Corporation's business, operating results and financial condition.

(b)Some of the Corporation's business activities, while believed to be compliant with State and/or Local Cannabis Regulations, are prohibited under Federal Cannabis Laws. In the United States, medical and adult-use cannabis industry operations are largely regulated at the state and local levels. Although certain states and territories of the United States authorize medical and/or adult-use cannabis cultivation, manufacturing and distribution by operating entities licensed or registered under State and/or Local Cannabis Regulations, under Federal Cannabis Laws, the possession, cultivation, manufacturing and distribution of cannabis, for any purpose other than DEA-sanctioned research, and any related drug paraphernalia, is prohibited, and constitute criminal acts under Federal Cannabis Laws, including the Controlled Substances Act ("CSA"). The contribution to and involvement in such activities may result in federal civil and/or criminal prosecution, incarceration and/or forfeiture of the Subscriber's entire investment.

Violations of any Federal Cannabis Laws could result in significant fines, penalties, administrative sanctions, convictions or settlements arising from civil proceedings conducted by either the federal government or private citizens, or criminal charges, including but not limited to disgorgement of profits, cessation of business activities or divestiture. This could have a material adverse effect on the Corporation, including the Corporation's reputation and ability to conduct business, the Corporation's holding (directly or indirectly) of State and/or Local Cannabis Licenses, the Corporation's financial position, operating results, profitability or liquidity or the market price of the Shares. In addition, it is difficult to estimate the time or resources that would be needed for the investigation of any such matters or its final resolution because, in part, the time and resources that may be needed are dependent on the nature and extent of any information requested by the applicable authorities involved, and such time or resources could be substantial.

In addition, since the possession, cultivation, manufacturing, and distribution of cannabis and any related drug paraphernalia is prohibited under Federal Cannabis Laws, the Corporation may be deemed to be aiding-and-abetting criminal activities through the contracts the Corporation has entered into and the products that the Corporation distributes. The Corporation cultivates and manufactures cannabis, and distributes cannabis products through operating dispensaries, and otherwise, leases intellectual property and/or real property in a number of states. As a result, law enforcement authorities, in their attempt to regulate the illicit distribution of cannabis and any related drug paraphernalia, may seek to bring an action or actions against the Corporation, including, but not limited to, aiding and abetting another's criminal activities. The federal aiding and abetting statute provides that anyone who "commits an offense against the United States or aids, abets, counsels, commands, induces or procures its commission, is punishable as a principal." As a result of such an action, the Corporation may be forced to cease certain operations and the Subscriber could lose its entire

LEGAL*59270903.3

investment. Such an action would have a material adverse effect on the Corporation's business and operations.

State and/or Local Cannabis Regulations are relatively new and constantly evolving, so there are uncertainties as to how the state authorities will interpret and administer applicable regulatory requirements. Any determination that the Corporation fails to comply with State and/or Local Cannabis Regulations would require the Corporation either to significantly change or terminate lines of business, or the business as a whole, which would have a material adverse effect on the Corporation's business.

(c)*Regulatory risks are inherent to the Corporation.* The activities of the Corporation are subject to regulation by Government Authorities. The Corporation's business objectives are contingent upon, in part, compliance with regulatory requirements enacted by these Government Authorities and obtaining all regulatory approvals, where necessary, for the distribution of products in each jurisdiction in which the Corporation operates. The Corporation cannot predict the time required to secure all appropriate regulatory approvals, or the extent of testing and documentation that may be required by Government Authorities. Any delays in obtaining, or failure to obtain regulatory approvals would significantly delay the development of markets and products and could have a material adverse effect.

No assurance can be given that new rules and regulations will not be enacted or that existing rules and regulations will not be applied in a manner which could limit or curtail the Corporation's ability to cultivate, manufacture, or distribute cannabis. Amendments to current laws and regulations governing the cultivation, manufacturing, or distribution of cannabis, or more stringent implementation thereof could have a material adverse effect on the Corporation.

(d)*Regulatory scrutiny of the Corporation's industry may negatively impact its ability to raise additional capital.* The Corporation's business activities are expected to rely on newly established and developing laws and regulations, including in a number of states. These laws and regulations are rapidly evolving and subject to change with minimal notice. Regulatory changes may adversely affect the Corporation's profitability or cause it to cease operations entirely. The cannabis industry may come under the scrutiny or further scrutiny of the Food and Drug Administration (the "FDA"), the Alcohol and Tobacco Tax and Trade Bureau; the Bureau of Alcohol, Tobacco, Firearms, and Explosives; Securities and Exchange Commission; DOJ; the Financial Industry Regulatory Advisory or other federal, state or other applicable state or non-governmental regulatory authorities or self-regulatory organizations that supervise or regulate the cultivation, manufacture, and distribution of cannabis for medical or adult-use purposes in the United States. It is impossible to determine the extent of the impact of any new laws, regulations or initiatives that may be proposed, or whether any proposals will become law. The regulatory uncertainty surrounding the Corporation's industry may adversely affect the business and operations of the Corporation, including without limitation, the costs to remain compliant with applicable laws and the impairment of the Corporation's business or the ability to raise additional capital, which could reduce, delay or eliminate any return on investment in the Corporation.

(e)*The size of the Corporation's target market is difficult to quantify and the Subscriber will be reliant on their own estimates on the accuracy of market data.* Because the cannabis industry is in an early stage with uncertain boundaries, there is a lack of

information about comparable companies available for review in deciding about whether to invest in the Corporation and, few, if any, established companies whose business model the Corporation can follow or upon whose success the Corporation can build. Accordingly, the Subscriber will have to rely on their own estimates in deciding about whether to invest in the Corporation. There can be no assurance that the Corporation's estimates will be accurate or that the market size is sufficiently large for its business to grow as projected or anticipated, which may negatively impact its financial results.

(f)*The Corporation may have difficulty accessing the service of banks and processing credit card payments in the United States, which may make it difficult for the Corporation to operate.* In February 2014, the Financial Crimes Enforcement Network (“**FinCEN**”) bureau of the Treasury Department issued guidance (which is not law) with respect to financial institutions providing banking services to cannabis businesses, including burdensome due diligence expectations and reporting requirements. This guidance does not provide any safe harbors or legal defenses from examination or regulatory or criminal enforcement actions by the DOJ, FinCEN or other federal regulators. Thus, most banks and other financial institutions are not comfortable providing banking services to cannabis-related businesses, or relying on this guidance, which can be amended or revoked at any time. In addition to the foregoing, banks may refuse to process debit card payments and credit card companies generally refuse to process credit card payments for cannabis-related businesses. As a result, the Corporation may have limited or no access to banking or other financial services in the United States and may have to operate the Corporation's business on an all-cash basis. The inability or limitation in the Corporation's ability to open or maintain bank accounts, obtain other banking services and/or accept credit card and debit card payments in the United States may make it difficult for the Corporation to operate and conduct business as planned.

(g)*Federal trademark and patent protection may not be available for the intellectual property of the Corporation due to the current classification of marijuana as a Schedule I controlled substance.* As long as marijuana remains illegal under Federal Cannabis Laws as a Schedule I controlled substance pursuant to the CSA, the benefit of certain federal laws and protections which may be available to most businesses, such as federal trademark and patent protection regarding the intellectual property of a business, may not be available to the Corporation. As a result, the Corporation's intellectual property may never be adequately or sufficiently protected against the use or misappropriation by third-parties. In addition, since the regulatory framework of the cannabis industry is in a constant state of flux, the Corporation can provide no assurance that it will ever obtain any protection of its intellectual property, whether on a federal, state or local level.

(h)*The Corporation's contracts may not be legally enforceable in the United States.* Because certain of the Corporation's contracts involve cannabis and other activities that are not legal under Federal Cannabis Laws and in certain state jurisdictions, the Corporation may face difficulties enforcing such contracts in federal and certain state courts.

(i)*There is uncertainty surrounding the policies of the United States federal government.* As a result of the conflict of laws that currently exists between Federal Cannabis Laws and the State and/or Local Cannabis Regulations, investments in cannabis business in the United States are subject to inconsistent laws and regulation. The response to this inconsistency was addressed in August 2013 when then Deputy Attorney General, James Cole, authored the Cole Memorandum (the “**Memorandum**”). The Memorandum was

LEGAL*59270903.3

addressed to all U.S. Attorneys acknowledging that, notwithstanding the designation of cannabis as a controlled substance at the federal level in the United States, several U.S. states enacted State and/or Local Cannabis Regulations for medical and adult-use purposes. The Memorandum outlined certain priorities for the DOJ relating to the prosecution of cannabis offenses. In particular, the Memorandum noted that in jurisdictions that enacted State and/or Local Cannabis Regulations and that have also implemented strong and effective regulatory and enforcement systems to control the cultivation, distribution, sale and possession of cannabis, conduct in compliance with those State and/or Local Cannabis Regulations is less likely to be a priority at the federal level. In light of limited investigative and prosecutorial resources, the Memorandum concluded that the DOJ should be focused on addressing only the most significant threats related to cannabis. States where State and/or Local Cannabis Regulations had been enacted were not characterized as a high priority.

On January 4, 2018, then U.S. Attorney General Jeff Sessions issued a memorandum to U.S. Attorneys which rescinded the Memorandum. With the Memorandum rescinded, U.S. federal prosecutors can exercise their discretion, without regard to the priorities enumerated in the Memorandum, in determining whether to prosecute cannabis-related operations that are compliant with State and/or Local Cannabis Regulations but that violate Federal Cannabis Laws.

On March 11, 2021, Merrick Garland was appointed as U.S. Attorney General. At his confirmation hearing, he said, “It does not seem to me a useful use of limited resources that we have, to be pursuing prosecutions in states that have legalized and that are regulating the use of marijuana, either medically or otherwise”. He has not yet reissued the Memorandum, however, or issued substitute guidance. In the fiscal 2022 omnibus spending bill, Congress included the Rohrabacher-Farr amendment which prohibits the Department of Justice from spending funds to interfere with the implementation of state medical cannabis laws until September 30, 2022.

Multiple legislative reforms related to cannabis and cannabis-related banking are currently being considered by the federal government in the United States. Examples include the States Reform Act; the Cannabis Administration and Opportunity Act; the Marijuana Opportunity, Reinvestment and Expungement Act; the Secure and Fair Enforcement (SAFE) Banking Act; and the Capital Lending and Investment for Marijuana Businesses (CLIMB) Act. There can be no assurance that any of these pieces of legislation will become law in the United States.

(j)Due to the classification of marijuana as a Schedule I controlled substance under the CSA, banks and other financial institutions which service the cannabis industry are at risk of violating certain financial laws, including anti-money laundering statutes.

Because the cultivation, manufacture, and distribution of cannabis is prohibited under the CSA, banks and other financial institutions providing services to cannabis-related businesses risk violation of federal anti-money laundering statutes (18 U.S.C. §§ 1956 and 1957), the unlicensed money-remitter statute (18 U.S.C. § 1960) and the Bank Secrecy Act. These statutes can impose criminal liability for engaging in certain financial and monetary transactions with the proceeds of a “specified unlawful activity” such as distributing controlled substances which are illegal under federal law, including cannabis, and for failing to identify or report financial transactions that involve the proceeds of cannabis-related violations of the CSA. The Corporation may also be exposed to the foregoing risks. In the event that any of the Corporation’s investments,

- 23 -

IF " DOCVARIABLE "SWDocIDLocation" 1" = "1" " DOCPROPERTY "SWDocID" FH11453723.1" "" FH11453723.1

LEGAL*59270903.3

or any proceeds thereof, any dividends or distributions therefrom, or any profits or revenues accruing from such investments in the United States were found to be in violation of money laundering legislation or otherwise, such transactions may be viewed as proceeds of crime under one or more of the statutes noted above or any other applicable legislation.

(k)*Third-party service providers to the Corporation may withdraw or suspend their service under threat of prosecution.* Since under Federal Cannabis Laws the possession, cultivation, manufacturing, and distribution of cannabis and any related drug paraphernalia is prohibited, and any such acts are criminal acts under Federal Cannabis Laws, companies that provide goods and/or services to companies engaged in cannabis-related activities may, under threat of federal civil and/or criminal prosecution, suspend or withdraw their services. Any suspension of service and inability to procure goods or services from an alternative source, even on a temporary basis, that causes interruptions in the Corporation's operations could have a material adverse effect on the Corporation's business.

(l)*FDA regulation of medical-use cannabis and the possible registration of facilities where cannabis is cultivated, manufactured, and/or distributed could negatively affect the medical-use cannabis industry, which would directly affect the Corporation's financial condition.* Should the federal government legalize cannabis for medical or adult-use use, it is possible that the FDA, would seek to regulate it under the Federal Food, Drug and Cosmetic Act. Additionally, the FDA may issue rules and regulations including, but not limited to, good manufacturing practice, related to the cultivation, manufacturing, advertising, and distribution of cannabis. Clinical trials may be needed to demonstrate efficacy and safety to support medical claims. It is also possible that the FDA would require that facilities where cannabis is cultivated, manufactured, and/or distributed register with the FDA and comply with certain federally prescribed regulations. In the event that some or all of these regulations are imposed, it is unknown what the impact would be on the cannabis industry, including what costs, requirements and possible prohibitions may be enforced. If the Corporation is unable to comply with the regulations or registration as prescribed by the FDA it may have a material adverse effect on the Corporation's business, operating results and financial condition.

(m)*The Corporation is subject to Section 280E of the Code because of its business activities and the resulting disallowance of tax deductions could cause it to incur more than anticipated U.S. federal income tax.* Under Section 280E of the Code ("**Section 280E**"), "no deduction or credit shall be allowed for any amount paid or incurred during the taxable year in carrying on any trade or business if such trade or business (or the activities which comprise such trade or business) consists of trafficking in controlled substances (within the meaning of schedule I and II of the Controlled Substances Act) which is prohibited by Federal law or the law of any State in which such trade or business is conducted." Cannabis is classified under schedule I of the CSA. Consequently, this provision has been applied by the IRS to cannabis operations, prohibiting them from deducting ordinary business expenses directly associated with the sale of cannabis. Section 280E therefore has a significant impact on the retail side of cannabis operations, but a lesser impact on cultivation and manufacturing operations. A result of Section 280E is that the effective tax rate on cannabis businesses may be extraordinarily high, and an otherwise profitable business may, in fact, operate at a loss, after taking into account its income tax expenses.

(n) *The Corporation's operations in the United States may become the subject of heightened scrutiny by regulators and other authorities.* The Corporation may be subject to significant direct and indirect interaction with public officials as a result of such heightened scrutiny. There can be no assurance that this heightened scrutiny will not in turn lead to the imposition of certain restrictions on the Corporation's ability to operate or invest in the United States or any other jurisdiction. Government policy changes or public opinion may also result in a significant influence over the regulation of the cannabis industry. A negative shift in the public's perception of medical-use and/or adult-use cannabis in the United States or any other applicable jurisdiction could affect future legislation or regulation. Among other things, such a shift could cause state jurisdictions to abandon initiatives or proposals to regulate medical and/or adult-use cannabis, thereby limiting the number of new state jurisdictions into which the Corporation could expand.

(o) *Your investment in the Corporation may itself be illegal under U.S. federal law; changes in federal enforcement affecting the cannabis industry may cause adverse effects on the Corporation's business.* Overall, an investor's contribution to and involvement in the Corporation's activities may result in federal civil and/or criminal prosecution, including forfeiture of his, her or its entire investment.

The Corporation is complying with state-regulated cannabis programs, regardless of its legal status under U.S. federal law, and your investment has been designed to be compliant with all applicable state laws and regulations to which the Corporation are subject; however, under U.S. federal law, such investments may be considered illegal under the CSA (particularly 21 U.S.C. § 854) or other indirect criminal liability theories such as aiding and abetting or conspiracy. Additionally, financial transactions involving proceeds generated by cannabis-related conduct can form the basis for prosecution under the federal money laundering statutes (18 U.S.C. § 1956), the unlicensed money transmitter statute and the U.S. Bank Secrecy Act. If the federal government were to reverse its long-standing hands-off approach to the state legal cannabis markets and start more broadly enforcing federal laws regarding cannabis, investors or the Corporation itself could also face criminal liability; in the event that investors or the Corporation faces enforcement it would likely be unable to execute its business plan, and its business and financial results would be adversely affected.

(p) *The Corporation, Its Officers, Investors Or Other Stakeholders May Be Required To Disclose Personal Information To Government Or Regulatory Entities; Failing To Do So Could Negatively Impact The Corporation's Business, Financial Conditions Or Results Of Operations.* The Corporation intends to operate a U.S. state-licensed cannabis business. Acquiring even a minimal or indirect interest in a U.S. state-licensed cannabis business can trigger requirements to disclose officers', investors' and other stakeholders' personal information. While these requirements vary by jurisdiction, some require interest holders to apply for regulatory approval and to provide tax returns, compensation agreements, fingerprints for background checks, criminal history records and other documents and information. Some states require disclosures of directors, officers and holders of more than a specified percentage of equity of the applicant. While some states include exceptions for investments in publicly traded entities, not all states do so, and some such exceptions are confined to companies traded on a U.S. securities exchange. If these regulations apply to the Corporation, investors, officers and other stakeholders are required to comply with such regulations, or face the possibility that

any relevant cannabis license held could be revoked or cancelled by the state licensing authority.

The Subscriber represents and covenants that (a) to the best of the Subscriber's knowledge, none of the Subscription Amount to be provided by the Subscriber (i) has been or will be derived from or related to any activity that is deemed criminal under the laws of Canada, the United States, or any other jurisdiction, or (ii) is being tendered on behalf of a person or entity who has not been identified to the Subscriber, and (b) the Subscriber shall promptly notify the Corporation if the Subscriber discovers that any of such representations cease to be true, and to provide the Corporation with appropriate information in connection therewith.

(z) the Subscriber is purchasing the Units as principal for its own account, or for the account of a beneficial purchaser for which it is acting as fiduciary or agent, for investment purposes only, and not with a view to the resale of distribution of all or any of the Common Shares or Warrants in violation of United States federal or state securities laws;

(aa) the Subscriber acknowledges that the Common Shares, Warrants or Underlying Shares have not been registered under the U.S. Securities Act or the securities laws of any state of the United States, and therefore may not be offered or sold unless registered under the U.S. Securities Act and the securities laws of all applicable states of the United States or an exemption from such registration requirements is available, and the Subscriber therefore acknowledges and agrees that the Common Shares, Warrants or Underlying Shares will be "restricted securities" within the meaning of Rule 144 under the U.S. Securities Act, and may not be offered, sold, pledged or otherwise transferred, directly or indirectly, unless (i) they are subsequently registered under the U.S. Securities Act and applicable state securities laws or (ii) an exemption from the registration requirements of the U.S. Securities Act and applicable state securities laws is available, and that prior to any transfer of the Common Shares, Warrants or Underlying Shares, the Subscriber may be required to deliver to the Corporation and the transfer agent for the Common Shares a legal opinion of recognized counsel, or other evidence in form and substance reasonably satisfactory to the Corporation, to the effect that such transfer does not require registration under the U.S. Securities Act or applicable state securities laws;

(b) There are risks associated with the purchase of the Units and no securities commission, agency, governmental authority, regulatory body, stock exchange or similar regulatory authority has reviewed or passed on the merits of the Units, Common Shares, Warrants or Underlying Shares nor have any such agencies or authorities made any recommendations or endorsements with respect to the Units, Common Shares, Warrants or Underlying Shares.

(c) The Units offered hereby and the underlying Common Shares, Warrants or Underlying Shares, are subject to statutory resale restrictions under the Securities Laws of the jurisdiction in which the Subscriber resides and under other applicable Securities Laws, and the Subscriber covenants that it will not resell the Common Shares, Warrants or Underlying Shares except in compliance with such laws and the Subscriber acknowledges that it is solely responsible (and neither the Corporation nor the Agent are in any way responsible) for such compliance.

(r) The information provided by the Subscriber on the face page of this Subscription Agreement identifying the name, address and telephone number of the Subscriber, the number of Units being purchased hereunder, the Subscription Amount, the Closing Date and the exemption that the Subscriber is relying on in purchasing the Units will be disclosed to certain Securities Regulators, and such information is being indirectly collected by the Securities Regulators under the authority granted to it under securities legislation. (t) There may be material tax consequences to the Subscriber of an acquisition or disposition of the Common Shares, Warrants or Underlying Shares, and neither the Corporation nor the Agent gives any opinion or makes any representation with respect to the tax consequences to the Subscriber under United States federal, state or local, Canadian federal, provincial or local or other foreign tax law with respect to the foregoing.

6.3 Industry Specific Acknowledgements and Risks

The Subscriber, on its own behalf and, if applicable, on behalf of each beneficial purchaser, including any Disclosed Principal, for whom it is acting hereunder, hereby acknowledges, covenants and agrees as follows:

(a) *Nature of the business model.* Since the cultivation, manufacturing, possession and distribution of cannabis for medical, adult-use (i.e., recreational) or otherwise, that is not related to research sanctioned by the United States federal government, is prohibited under Federal Cannabis Laws, it is possible that the Corporation may be forced to cease certain of the Corporation's activities. The United States federal government, through, among others, the Department of Justice ("DOJ"), its sub-agency the Drug Enforcement Agency ("DEA"), and the Internal Revenue Service ("IRS"), have the right to actively investigate, audit and shutdown cannabis growing facilities, processors and retailers. The United States federal government may also attempt to seize property. Any action taken by the DOJ, the DEA and/or the IRS to impede, seize or shutdown the Corporation's operations will have an adverse effect on the Corporation's business, operating results and financial condition.

- 20 -

IF " DOCVARIABLE "SWDocIDLocation" 1" = "1" " DOCPROPERTY "SWDocID" FH11438124.4" "" FH11438124.4

LEGAL*59270824.3

(b) *Some of the Corporation's business activities, while believed to be compliant with State and/or Local Cannabis Regulations, are prohibited under Federal Cannabis Laws.* In the United States, medical and adult-use cannabis industry operations are largely regulated at the state and local levels. Although certain states and territories of the United States authorize medical and/or adult-use cannabis cultivation, manufacturing and distribution by operating entities licensed or registered under State and/or Local Cannabis Regulations, under Federal Cannabis Laws, the possession, cultivation, manufacturing and distribution of cannabis, for any purpose other than DEA-sanctioned research, and any related drug paraphernalia, is prohibited, and constitute criminal acts under Federal Cannabis Laws, including the Controlled Substances Act (“CSA”). The contribution to and involvement in such activities may result in federal civil and/or criminal prosecution, incarceration and/or forfeiture of the Subscriber’s entire investment.

Violations of any Federal Cannabis Laws could result in significant fines, penalties, administrative sanctions, convictions or settlements arising from civil proceedings conducted by either the federal government or private citizens, or criminal charges, including but not limited to disgorgement of profits, cessation of business activities or divestiture. This could have a material adverse effect on the Corporation, including the Corporation’s reputation and ability to conduct business, the Corporation’s holding (directly or indirectly) of State and/or Local Cannabis Licenses, the Corporation’s financial position, operating results, profitability or liquidity or the market price of the Shares. In addition, it is difficult to estimate the time or resources that would be needed for the investigation of any such matters or its final resolution because, in part, the time and resources that may be needed are dependent on the nature and extent of any information requested by the applicable authorities involved, and such time or resources could be substantial.

In addition, since the possession, cultivation, manufacturing, and distribution of cannabis and any related drug paraphernalia is prohibited under Federal Cannabis Laws, the Corporation may be deemed to be aiding-and-abetting criminal activities through the contracts the Corporation has entered into and the products that the Corporation distributes. The Corporation cultivates and manufactures cannabis, and distributes cannabis products through operating dispensaries, and otherwise, leases intellectual property and/or real property in a number of states. As a result, law enforcement authorities, in their attempt to regulate the illicit distribution of cannabis and any related drug paraphernalia, may seek to bring an action or actions against the Corporation, including, but not limited to, aiding and abetting another’s criminal activities. The federal aiding and abetting statute provides that anyone who “commits an offense against the United States or aids, abets, counsels, commands, induces or procures its commission, is punishable as a principal.” As a result of such an action, the Corporation may be forced to cease certain operations and the Subscriber could lose its entire investment. Such an action would have a material adverse effect on the Corporation’s business and operations.

State and/or Local Cannabis Regulations are relatively new and constantly evolving, so there are uncertainties as to how the state authorities will interpret and administer applicable regulatory requirements. Any determination that the Corporation fails to comply with State and/or Local Cannabis Regulations would require the Corporation either to significantly change or terminate lines of business, or the business as a whole, which would have a material adverse effect on the Corporation’s business.

(c)*Regulatory risks are inherent to the Corporation.* The activities of the Corporation are subject to regulation by Government Authorities. The Corporation's business objectives are contingent upon, in part, compliance with regulatory requirements enacted by these Government Authorities and obtaining all regulatory approvals, where necessary, for the distribution of products in each jurisdiction in which the Corporation operates. The Corporation cannot predict the time required to secure all appropriate regulatory approvals, or the extent of testing and documentation that may be required by Government Authorities. Any delays in obtaining, or failure to obtain regulatory approvals would significantly delay the development of markets and products and could have a material adverse effect.

No assurance can be given that new rules and regulations will not be enacted or that existing rules and regulations will not be applied in a manner which could limit or curtail the Corporation's ability to cultivate, manufacture, or distribute cannabis. Amendments to current laws and regulations governing the cultivation, manufacturing, or distribution of cannabis, or more stringent implementation thereof could have a material adverse effect on the Corporation.

(d)*Regulatory scrutiny of the Corporation's industry may negatively impact its ability to raise additional capital.* The Corporation's business activities are expected to rely on newly established and developing laws and regulations, including in a number of states. These laws and regulations are rapidly evolving and subject to change with minimal notice. Regulatory changes may adversely affect the Corporation's profitability or cause it to cease operations entirely. The cannabis industry may come under the scrutiny or further scrutiny of the Food and Drug Administration (the "FDA"), the Alcohol and Tobacco Tax and Trade Bureau; the Bureau of Alcohol, Tobacco, Firearms, and Explosives; Securities and Exchange Commission; DOJ; the Financial Industry Regulatory Advisory or other federal, state or other applicable state or non-governmental regulatory authorities or self-regulatory organizations that supervise or regulate the cultivation, manufacture, and distribution of cannabis for medical or adult-use purposes in the United States. It is impossible to determine the extent of the impact of any new laws, regulations or initiatives that may be proposed, or whether any proposals will become law. The regulatory uncertainty surrounding the Corporation's industry may adversely affect the business and operations of the Corporation, including without limitation, the costs to remain compliant with applicable laws and the impairment of the Corporation's business or the ability to raise additional capital, which could reduce, delay or eliminate any return on investment in the Corporation.

(e)*The size of the Corporation's target market is difficult to quantify and the Subscriber will be reliant on their own estimates on the accuracy of market data.* Because the cannabis industry is in an early stage with uncertain boundaries, there is a lack of information about comparable companies available for review in deciding about whether to invest in the Corporation and, few, if any, established companies whose business model the Corporation can follow or upon whose success the Corporation can build. Accordingly, the Subscriber will have to rely on their own estimates in deciding about whether to invest in the Corporation. There can be no assurance that the Corporation's estimates will be accurate or that the market size is sufficiently large for its business to grow as projected or anticipated, which may negatively impact its financial results.

(f)*The Corporation may have difficulty accessing the service of banks and processing credit card payments in the United States, which may make it difficult for the*

Corporation to operate. In February 2014, the Financial Crimes Enforcement Network (“**FinCEN**”) bureau of the Treasury Department issued guidance (which is not law) with respect to financial institutions providing banking services to cannabis businesses, including burdensome due diligence expectations and reporting requirements. This guidance does not provide any safe harbors or legal defenses from examination or regulatory or criminal enforcement actions by the DOJ, FinCEN or other federal regulators. Thus, most banks and other financial institutions are not comfortable providing banking services to cannabis-related businesses, or relying on this guidance, which can be amended or revoked at any time. In addition to the foregoing, banks may refuse to process debit card payments and credit card companies generally refuse to process credit card payments for cannabis-related businesses. As a result, the Corporation may have limited or no access to banking or other financial services in the United States and may have to operate the Corporation’s business on an all-cash basis. The inability or limitation in the Corporation’s ability to open or maintain bank accounts, obtain other banking services and/or accept credit card and debit card payments in the United States may make it difficult for the Corporation to operate and conduct business as planned.

(g)Federal trademark and patent protection may not be available for the intellectual property of the Corporation due to the current classification of marijuana as a Schedule I controlled substance. As long as marijuana remains illegal under Federal Cannabis Laws as a Schedule I controlled substance pursuant to the CSA, the benefit of certain federal laws and protections which may be available to most businesses, such as federal trademark and patent protection regarding the intellectual property of a business, may not be available to the Corporation. As a result, the Corporation’s intellectual property may never be adequately or sufficiently protected against the use or misappropriation by third-parties. In addition, since the regulatory framework of the cannabis industry is in a constant state of flux, the Corporation can provide no assurance that it will ever obtain any protection of its intellectual property, whether on a federal, state or local level.

(h)The Corporation’s contracts may not be legally enforceable in the United States. Because certain of the Corporation’s contracts involve cannabis and other activities that are not legal under Federal Cannabis Laws and in certain state jurisdictions, the Corporation may face difficulties enforcing such contracts in federal and certain state courts.

(i)There is uncertainty surrounding the policies of the United States federal government. As a result of the conflict of laws that currently exists between Federal Cannabis Laws and the State and/or Local Cannabis Regulations, investments in cannabis business in the United States are subject to inconsistent laws and regulation. The response to this inconsistency was addressed in August 2013 when then Deputy Attorney General, James Cole, authored the Cole Memorandum (the “**Memorandum**”). The Memorandum was addressed to all U.S. Attorneys acknowledging that, notwithstanding the designation of cannabis as a controlled substance at the federal level in the United States, several U.S. states enacted State and/or Local Cannabis Regulations for medical and adult-use purposes. The Memorandum outlined certain priorities for the DOJ relating to the prosecution of cannabis offenses. In particular, the Memorandum noted that in jurisdictions that enacted State and/or Local Cannabis Regulations and that have also implemented strong and effective regulatory and enforcement systems to control the cultivation, distribution, sale and possession of cannabis, conduct in compliance with those State and/or Local Cannabis Regulations is less likely to be a priority at the federal level. In light of limited investigative and prosecutorial resources, the Memorandum

LEGAL*59270824.3

concluded that the DOJ should be focused on addressing only the most significant threats related to cannabis. States where State and/or Local Cannabis Regulations had been enacted were not characterized as a high priority.

On January 4, 2018, then U.S. Attorney General Jeff Sessions issued a memorandum to U.S. Attorneys which rescinded the Memorandum. With the Memorandum rescinded, U.S. federal prosecutors can exercise their discretion, without regard to the priorities enumerated in the Memorandum, in determining whether to prosecute cannabis-related operations that are compliant with State and/or Local Cannabis Regulations but that violate Federal Cannabis Laws.

On March 11, 2021, Merrick Garland was appointed as U.S. Attorney General. At his confirmation hearing, he said, “It does not seem to me a useful use of limited resources that we have, to be pursuing prosecutions in states that have legalized and that are regulating the use of marijuana, either medically or otherwise”. He has not yet reissued the Memorandum, however, or issued substitute guidance. In the fiscal 2022 omnibus spending bill, Congress included the Rohrabacher-Farr amendment which prohibits the Department of Justice from spending funds to interfere with the implementation of state medical cannabis laws until September 30, 2022.

Multiple legislative reforms related to cannabis and cannabis-related banking are currently being considered by the federal government in the United States. Examples include the States Reform Act; the Cannabis Administration and Opportunity Act; the Marijuana Opportunity, Reinvestment and Expungement Act; the Secure and Fair Enforcement (SAFE) Banking Act; and the Capital Lending and Investment for Marijuana Businesses (CLIMB) Act. There can be no assurance that any of these pieces of legislation will become law in the United States.

(j)Due to the classification of marijuana as a Schedule I controlled substance under the CSA, banks and other financial institutions which service the cannabis industry are at risk of violating certain financial laws, including anti-money laundering statutes. Because the cultivation, manufacture, and distribution of cannabis is prohibited under the CSA, banks and other financial institutions providing services to cannabis-related businesses risk violation of federal anti-money laundering statutes (18 U.S.C. §§ 1956 and 1957), the unlicensed money-remitter statute (18 U.S.C. § 1960) and the Bank Secrecy Act. These statutes can impose criminal liability for engaging in certain financial and monetary transactions with the proceeds of a “specified unlawful activity” such as distributing controlled substances which are illegal under federal law, including cannabis, and for failing to identify or report financial transactions that involve the proceeds of cannabis-related violations of the CSA. The Corporation may also be exposed to the foregoing risks. In the event that any of the Corporation’s investments, or any proceeds thereof, any dividends or distributions therefrom, or any profits or revenues accruing from such investments in the United States were found to be in violation of money laundering legislation or otherwise, such transactions may be viewed as proceeds of crime under one or more of the statutes noted above or any other applicable legislation.

(k)Third-party service providers to the Corporation may withdraw or suspend their service under threat of prosecution. Since under Federal Cannabis Laws the possession, cultivation, manufacturing, and distribution of cannabis and any related drug paraphernalia is prohibited, and any such acts are criminal acts under Federal Cannabis

Laws, companies that provide goods and/or services to companies engaged in cannabis-related activities may, under threat of federal civil and/or criminal prosecution, suspend or withdraw their services. Any suspension of service and inability to procure goods or services from an alternative source, even on a temporary basis, that causes interruptions in the Corporation's operations could have a material adverse effect on the Corporation's business.

(l)FDA regulation of medical-use cannabis and the possible registration of facilities where cannabis is cultivated, manufactured, and/or distributed could negatively affect the medical-use cannabis industry, which would directly affect the Corporation's financial condition. Should the federal government legalize cannabis for medical or adult-use use, it is possible that the FDA, would seek to regulate it under the Federal Food, Drug and Cosmetic Act. Additionally, the FDA may issue rules and regulations including, but not limited to, good manufacturing practice, related to the cultivation, manufacturing, advertising, and distribution of cannabis. Clinical trials may be needed to demonstrate efficacy and safety to support medical claims. It is also possible that the FDA would require that facilities where cannabis is cultivated, manufactured, and/or distributed register with the FDA and comply with certain federally prescribed regulations. In the event that some or all of these regulations are imposed, it is unknown what the impact would be on the cannabis industry, including what costs, requirements and possible prohibitions may be enforced. If the Corporation is unable to comply with the regulations or registration as prescribed by the FDA it may have a material adverse effect on the Corporation's business, operating results and financial condition.

(m)The Corporation is subject to Section 280E of the Code because of its business activities and the resulting disallowance of tax deductions could cause it to incur more than anticipated U.S. federal income tax. Under Section 280E of the Code ("**Section 280E**"), "no deduction or credit shall be allowed for any amount paid or incurred during the taxable year in carrying on any trade or business if such trade or business (or the activities which comprise such trade or business) consists of trafficking in controlled substances (within the meaning of schedule I and II of the Controlled Substances Act) which is prohibited by Federal law or the law of any State in which such trade or business is conducted." Cannabis is classified under schedule I of the CSA. Consequently, this provision has been applied by the IRS to cannabis operations, prohibiting them from deducting ordinary business expenses directly associated with the sale of cannabis. Section 280E therefore has a significant impact on the retail side of cannabis operations, but a lesser impact on cultivation and manufacturing operations. A result of Section 280E is that the effective tax rate on cannabis businesses may be extraordinarily high, and an otherwise profitable business may, in fact, operate at a loss, after taking into account its income tax expenses.

(n)The Corporation's operations in the United States may become the subject of heightened scrutiny by regulators and other authorities. The Corporation may be subject to significant direct and indirect interaction with public officials as a result of such heightened scrutiny. There can be no assurance that this heightened scrutiny will not in turn lead to the imposition of certain restrictions on the Corporation's ability to operate or invest in the United States or any other jurisdiction. Government policy changes or public opinion may also result in a significant influence over the regulation of the cannabis industry. A negative shift in the public's perception of medical-use and/or adult-use cannabis in the United States or any other applicable jurisdiction could affect future legislation or regulation. Among other things, such a shift could cause state

jurisdictions to abandon initiatives or proposals to regulate medical and/or adult-use cannabis, thereby limiting the number of new state jurisdictions into which the Corporation could expand.

(o) *Your investment in the Corporation may itself be illegal under U.S. federal law; changes in federal enforcement affecting the cannabis industry may cause adverse effects on the Corporation's business.* Overall, an investor's contribution to and involvement in the Corporation's activities may result in federal civil and/or criminal prosecution, including forfeiture of his, her or its entire investment.

The Corporation is complying with state-regulated cannabis programs, regardless of its legal status under U.S. federal law, and your investment has been designed to be compliant with all applicable state laws and regulations to which the Corporation are subject; however, under U.S. federal law, such investments may be considered illegal under the CSA (particularly 21 U.S.C. § 854) or other indirect criminal liability theories such as aiding and abetting or conspiracy. Additionally, financial transactions involving proceeds generated by cannabis-related conduct can form the basis for prosecution under the federal money laundering statutes (18 U.S.C. § 1956), the unlicensed money transmitter statute and the U.S. Bank Secrecy Act. If the federal government were to reverse its long-standing hands-off approach to the state legal cannabis markets and start more broadly enforcing federal laws regarding cannabis, investors or the Corporation itself could also face criminal liability; in the event that investors or the Corporation faces enforcement it would likely be unable to execute its business plan, and its business and financial results would be adversely affected.

(p) *The Corporation, Its Officers, Investors Or Other Stakeholders May Be Required To Disclose Personal Information To Government Or Regulatory Entities; Failing To Do So Could Negatively Impact The Corporation's Business, Financial Conditions Or Results Of Operations.* The Corporation intends to operate a U.S. state-licensed cannabis business. Acquiring even a minimal or indirect interest in a U.S. state-licensed cannabis business can trigger requirements to disclose officers', investors' and other stakeholders' personal information. While these requirements vary by jurisdiction, some require interest holders to apply for regulatory approval and to provide tax returns, compensation agreements, fingerprints for background checks, criminal history records and other documents and information. Some states require disclosures of directors, officers and holders of more than a specified percentage of equity of the applicant. While some states include exceptions for investments in publicly traded entities, not all states do so, and some such exceptions are confined to companies traded on a U.S. securities exchange. If these regulations apply to the Corporation, investors, officers and other stakeholders are required to comply with such regulations, or face the possibility that any relevant cannabis license held could be revoked or cancelled by the state licensing authority.

"**Bankruptcy Proceeding**" means, with respect to the Issuer, any proceeding contemplated by any application, petition, assignment, filing of notice, or other means, whether voluntary or involuntary under the *Bankruptcy and Insolvency Act* (Canada), the *Companies' Creditors Arrangement Act* (Canada), the *Winding-Up and Restructuring Act* (Canada), or any other similar legislation of any jurisdiction seeking any moratorium, reorganization, adjustment, composition, proposal, compromise, arrangement, or other similar relief in respect of any or all of the Issuer's obligations, seeking the winding up, liquidation, or dissolution of the Issuer or all or any part of its businesses, undertaking, properties, and assets, seeking any order declaring, finding, or adjudging the Issuer insolvent or bankrupt, seeking the appointment (provisional, interim, or permanent) of any receiver, or resulting, by operation of law, in the bankruptcy of the Issuer.

SCHEDULE "B"
Adjustment of Conversion Price

The Conversion Price in effect at any date shall be subject to adjustment from time to time as set forth below.

(a) If and whenever at any time prior to the Business Day immediately preceding the Maturity Date the Issuer shall:

(i) subdivide or redivide the outstanding Common Shares into a greater number of shares;

(ii) reduce, combine or consolidate the outstanding Common Shares into a smaller number of shares; or

(iii) issue Common Shares to the holders of all or substantially all of the outstanding Common Shares by way of a dividend or distribution (other than the issue of Common Shares to holders of Common Shares who have elected to receive dividends or distributions in the form of Common Shares in lieu of cash dividends or cash distributions paid in the ordinary course on the Common Shares);

the Conversion Price in effect on the effective date of such subdivision, redivision, reduction, combination or consolidation or on the record date for such issue of Common Shares by way of a dividend or distribution, as the case may be, shall in the case of any of the events referred to in (i) and (iii) above be decreased in proportion to the number of outstanding Common Shares resulting from such subdivision, redivision or dividend, or shall, in the case of any of the events referred to in (ii) above, be increased in proportion to the number of outstanding Common Shares resulting from such reduction, combination or consolidation. Such adjustment shall be made successively whenever any event referred to in this Schedule "B" shall occur. Any such issue of Common Shares by way of a dividend or distribution shall be deemed to have been made on the record date for the dividend or distribution for the purpose of calculating the number of outstanding Common Shares under subsections (c) and (d) of this Schedule "B".

(b) If and whenever at any time prior to the Business Day immediately preceding the Maturity Date the Issuer shall fix a record date for the payment of a cash dividend or distribution to the holders of all or substantially all of the outstanding Common Shares, the Conversion Price shall be adjusted immediately after such record date so that it shall be equal to the price determined by multiplying the Conversion Price in effect on such record date by a fraction, of which the denominator shall be the Current Market Price on such record date and of which the numerator shall be the Current Market Price on such record date minus the amount in cash per Common Share distributed to holders of Common Shares. Such adjustment shall be made successively whenever such a record date is fixed. To the extent that any such cash dividend or distribution is not paid, the Conversion Price shall be re-adjusted to the Conversion Price which would then be in effect if such record date had not been fixed.

(c) If and whenever at any time prior to the Business Day immediately preceding the Maturity Date the Issuer shall fix a record date for the issuance of options, rights or warrants to all or substantially all the holders of its outstanding Common Shares entitling them, for a period expiring not more than 45 days after such record date, to subscribe for or purchase Common Shares (or securities convertible into Common Shares) at a price per share (or having a conversion or exchange price per share) less than 95% of the Current Market Price on such record date, the Conversion Price shall be adjusted immediately after such record date so that it shall equal the price determined by multiplying the Conversion Price in effect on such record date by a fraction, of which the numerator shall be the total number of Common Shares outstanding on such record date plus a number of Common Shares equal to the number arrived at by dividing the aggregate price of the total number of additional Common Shares offered for subscription or purchase (or the aggregate conversion or exchange price of the convertible securities so offered) by such Current Market Price, and of which the denominator shall be the total number of Common Shares outstanding on such record date plus the total number of additional Common Shares offered for subscription or purchase (or into which the convertible securities so offered are convertible). Such adjustment shall be made successively whenever such a record date is fixed. To the extent that any such options, rights or warrants are not so issued or any such options, rights or warrants are not exercised prior to the expiration thereof, the Conversion Price shall be re-adjusted to the Conversion Price which would then be in effect if such record date had not been fixed or to the Conversion Price which would then be in effect based upon the number of Common Shares (or securities convertible into Common Shares) actually issued upon the exercise of such options, rights or warrants were included in such fraction, as the case may be.

(d) If and whenever at any time prior to the Business Day immediately preceding the Maturity Date, there is a reclassification of the Common Shares or a capital reorganization of the Issuer other than as described in paragraph (a) of this Schedule "B" or a consolidation, amalgamation, arrangement, binding share exchange, merger of the Issuer with or into any other Person or other entity or acquisition of the Issuer or other combination pursuant to which the Common Shares are converted into or acquired for cash, securities or other property; or a sale or conveyance of the property and assets of the Issuer as an entirety or substantially as an entirety to any other Person (other than a direct or indirect wholly-owned subsidiary of the Issuer) or other entity or a liquidation, dissolution or winding-up of the Issuer (any such event, a "**Merger Event**"), the Holder who has not exercised its right of conversion prior to the effective date of such reclassification, capital reorganization, consolidation, amalgamation, arrangement, merger, share exchange, acquisition, combination, sale or conveyance or liquidation, dissolution or winding-up, upon the exercise of such right thereafter, shall be entitled to receive and shall accept, in lieu of the number of Common Shares then sought to be acquired by it, such amount of cash or the number of shares or other securities or property of the Issuer or of the Person or other entity resulting from such merger, amalgamation, arrangement, acquisition, combination or consolidation, or to which such sale or conveyance may be made or which holders of Common Shares receive pursuant to such liquidation, dissolution or winding-up, as the case may be, that the Holder would

have been entitled to receive on such reclassification, capital reorganization, consolidation, amalgamation, arrangement, merger, share exchange, acquisition, combination, sale or conveyance or liquidation, dissolution or winding-up, if, on the record date or the effective date thereof, as the case may be, the Holder had been the registered holder of the number of Common Shares sought to be acquired by it and to which it was entitled to acquire upon the exercise of the conversion right, subject to paragraph (m) of this Schedule "B". If determined appropriate by the board of directors of the Issuer, to give effect to or to evidence the provisions of paragraph (d) of this Schedule "B", the Issuer, its successor, or such purchasing Person or other entity, as the case may be, shall, prior to or contemporaneously with any such reclassification, capital reorganization, consolidation, amalgamation, arrangement, merger, share exchange, acquisition, combination, sale or conveyance or liquidation, dissolution or winding-up, enter into an amendment which shall provide, to the extent possible, for the application of the provisions set forth in this Schedule "B" with respect to the rights and interests thereafter of the Holder to the end that the provisions set forth in this debenture shall thereafter correspondingly be made applicable, as nearly as may reasonably be, with respect to any cash, shares or other securities or property to which the Holder is entitled on the exercise of its acquisition rights thereafter. Any such amendment pursuant to the provisions of paragraph (d) of this Schedule "B" shall be entered into between the Issuer and the Holder. Any such amendment entered into between the Issuer, any successor to the Issuer or such purchasing Person or other entity and the Holder shall provide for adjustments which shall be as nearly equivalent as may be practicable to the adjustments provided in paragraph (d) of this Schedule "B" and which shall apply to successive reclassifications, capital reorganizations, amalgamations, consolidations, mergers, share exchanges, acquisitions, combinations, sales or conveyances. For greater certainty, nothing in paragraph (d) of this Schedule "B" shall affect or reduce the requirement for the Issuer to provide a Change of Control Notice in accordance with Section 8 to the extent any transaction described in paragraph (d) of this Schedule "B" is considered a Change of Control.

The Issuer shall not become a party to any Merger Event unless its terms are consistent with paragraph (d) of this Schedule "B".

(e) If the Issuer shall make a distribution to all or substantially all of the holders of Common Shares of shares in the capital of the Issuer, other than Common Shares, or evidences of indebtedness or other assets of the Issuer, including securities (but excluding (i) any issuance of rights or warrants for which an adjustment was made pursuant to paragraph (c) of this Schedule "B", and (ii) any dividend or distribution paid exclusively in cash for which an adjustment was made pursuant to paragraph (b) of this Schedule "B") (the "**Distributed Securities**"), then in each such case (unless the Issuer at its option chooses to distribute such Distributed Securities to the Holder on such dividend or distribution date (as if the Holder had converted this debenture into Common Shares immediately preceding the record date with respect to such distribution)) the Conversion Price in effect immediately preceding the ex-distribution date fixed for the dividend or distribution shall be adjusted so that the same shall equal the price determined by multiplying the Conversion Price in effect immediately

preceding such ex-distribution date by a fraction of which the denominator shall be the Current Market Price immediately prior to the ex-distribution date and of which the numerator shall be the Current Market Price for the first five trading days that occur immediately post the ex-distribution date. Such adjustment shall be made successively whenever any such distribution is made and shall become effective five Business Days immediately after the ex-distribution date. In the event that such dividend or distribution is not so paid or made, the Conversion Price shall again be adjusted to be the Conversion Price that would then be in effect if such dividend or distribution had not been declared.

Notwithstanding the foregoing, if the securities distributed by the Issuer to all holders of its Common Shares consist of capital stock of, or similar equity interests in, a Subsidiary or other business of the Issuer (the "**Spinoff Securities**"), the Conversion Price shall be adjusted, unless the Issuer makes an equivalent distribution to the Holder, so that the same shall be equal to the rate determined by multiplying the Conversion Price in effect on the record date fixed for the determination of shareholders entitled to receive such distribution by a fraction, the denominator of which shall be the sum of (A) the weighted average trading price of one Common Share over the 20 consecutive trading day period (the "**Spinoff Valuation Period**") commencing on and including the fifth trading day after the date on which ex-dividend trading commences for such distribution on the stock exchange upon which the highest volume of trading of the Common Shares occurs during the applicable period and (B) the product of (i) the weighted average trading price (calculated in substantially the same way as the Current Market Price is calculated for the Common Shares) over the Spinoff Valuation Period of the Spinoff Securities or, if no such prices are available, the fair market value of the Spinoff Securities as reasonably determined by the board of directors of the Issuer (which determination shall be conclusive) multiplied by (ii) the number of Spinoff Securities distributed in respect of one Common Share and the numerator of which shall be the weighted average trading price of one Common Share over the Spinoff Valuation Period, such adjustment to become effective immediately preceding the opening of business on the 25th trading day after the date on which ex-dividend trading commences; provided, however, that the Issuer may in lieu of the foregoing adjustment elect to make adequate provision so that the Holder shall have the right to receive upon conversion thereof the amount of such Spinoff Securities that the Holder would have received if this debenture had been converted on the record date with respect to such distribution.

(f) If any issuer bid made by the Issuer or any of its Subsidiaries for all or any portion of Common Shares shall expire, then, if the issuer bid shall require the payment to shareholders of consideration per Common Share having a fair market value (determined as provided below) that exceeds the Current Market Price on the last date (the "**Expiration Date**") tenders could have been made pursuant to such issuer bid (as it may be amended) (the last time at which such tenders could have been made on the Expiration Date is hereinafter sometimes called the "**Expiration Time**"), the Conversion Price shall be adjusted so that the same shall equal the rate determined by multiplying the Conversion Price in effect immediately preceding the close of business on the Expiration Date by a fraction of which (i) the denominator shall be the sum of (A) the fair market value of the

aggregate consideration (the fair market value as determined by the board of directors of the Issuer, whose determination shall be conclusive evidence of such fair market value) payable to shareholders based on the acceptance (up to any maximum specified in the terms of the issuer bid) of all Common Shares validly tendered and not withdrawn as of the Expiration Time (the Common Shares deemed so accepted, up to any such maximum, being referred to as the "**Purchased Common Shares**") and (B) the product of the number of Common Shares outstanding (less any Purchased Common Shares and excluding any Common Shares held in the treasury of the Issuer) at the Expiration Time and the Current Market Price on the Expiration Date and (ii) the numerator of which shall be the product of the number of Common Shares outstanding (including Purchased Common Shares but excluding any Common Shares held in the treasury of the Issuer) at the Expiration Time multiplied by the Current Market Price on the Expiration Date, such increase to become effective immediately preceding the opening of business on the day following the Expiration Date. In the event that the Issuer is obligated to purchase Common Shares pursuant to any such issuer bid, but the Issuer is permanently prevented by applicable law from effecting any or all such purchases or any or all such purchases are rescinded, the Conversion Price shall again be adjusted to be the Conversion Price which would have been in effect based upon the number of Common Shares actually purchased, if any. If the application of paragraph (f) of this Schedule "B" to any issuer bid would result in a decrease in the Conversion Price, no adjustment shall be made for such issuer bid under this paragraph (f) of this Schedule "B".

For purposes of paragraph (f) of this Schedule "B", the term "**issuer bid**" shall mean an issuer bid under Securities Laws or a take-over bid under Securities Laws by a Subsidiary of the Issuer for the Common Shares and all references to "purchases" of Common Shares in issuer bids (and all similar references) shall mean and include the purchase of Common Shares in issuer bids and all references to "tendered Common Shares" (and all similar references) shall mean and include Common Shares tendered in issuer bids.

(g) In any case in which this Schedule "B" shall require that an adjustment shall become effective immediately after a record date for an event referred to herein, the Issuer may defer, until the occurrence of such event, issuing to the holder of any Debenture converted after such record date and before the occurrence of such event the additional Common Shares issuable upon such conversion by reason of the adjustment required by such event before giving effect to such adjustment; provided, however, that the Issuer shall deliver to such holder an appropriate instrument evidencing such holder's right to receive such additional Common Shares upon the occurrence of the event requiring such adjustment and the right to receive any distributions made on such additional Common Shares declared in favour of holders of record of Common Shares on and after the date this debenture has been surrendered for conversion or such later date as such holder would, but for the provisions of paragraph (g) of this Schedule "B", have become the holder of record of such additional Common Shares pursuant to Section 7 of his debenture.

(h)The adjustments provided for in this Schedule "B" are cumulative and shall apply to successive subdivisions, redivisions, reductions, combinations, consolidations, distributions, issues or other events resulting in any adjustment under the provisions of this Section, provided that, notwithstanding any other provision of this Section, no adjustment of the Conversion Price shall be required unless such adjustment would require an increase or decrease of at least 1% in the Conversion Price then in effect; provided however, that any adjustments which by reason of paragraph (h) of this Schedule "B" are not required to be made shall be carried forward and taken into account in any subsequent adjustment.

(i)For the purpose of calculating the number of Common Shares outstanding, Common Shares owned by or for the benefit of the Issuer shall not be counted.

(j)In the event of any question arising with respect to the adjustments provided in this Schedule "B", such question shall be conclusively determined by a firm of nationally recognized chartered accountants appointed by the Issuer (who may be the auditors of the Issuer); such accountants shall have access to all necessary records of the Issuer and such determination shall be binding upon the Issuer and the Holder.

(k)In case the Issuer shall take any action affecting the Common Shares other than action described in this Schedule "B", which in the opinion of the board of directors of the Issuer, would materially affect the rights of the Holder, the Conversion Price shall be adjusted in such manner and at such time, by action of such board of directors, as such board of directors, in their sole discretion may determine to be equitable in the circumstances. Failure of the directors to make such an adjustment shall be conclusive evidence that they have determined that it is equitable to make no adjustment in the circumstances.

(l)No adjustment in the Conversion Price shall be made in respect of any event described in paragraphs (a), (b), (c), (e) or (f) of this Schedule "B" other than the events described in clauses (a)(i) or (a)(ii) of this Schedule "B" if the Holder is entitled to participate in such event on the same terms *mutatis mutandis* as if it had converted this debenture prior to the effective date or record date, as the case may be, of such event.

(m)Except as stated above in this Schedule "B", no adjustment will be made in the Conversion Price for this debenture as a result of the issuance of Common Shares at less than the Current Market Price on the date of issuance or the then applicable Conversion Price.

(n)Notwithstanding any of the foregoing in this Schedule "B", if the Holder would otherwise be entitled to receive, upon conversion of this debenture, any property (including cash) or securities that would not constitute "prescribed securities" for the purposes of clause 212(1)(b)(vii)(E) of the *Income Tax Act* (Canada) as it applied on December 31, 2007 ("**Ineligible Consideration**"), the Holder shall not be entitled to receive such Ineligible Consideration and the Issuer or the successor or acquirer, as the case may be, shall have the right (at the sole option of the Issuer or the successor or acquirer, as the case may be) to deliver to the

Holder "prescribed securities" for the purposes of clause 212(1)(b)(vii)(E) of the *Income Tax Act* (Canada) as it applied on December 31, 2007 with a market value (as conclusively determined by the board of directors of the Issuer) equal to the market value of such Ineligible Consideration.

The Issuer shall from time to time immediately after the occurrence of any event which requires an adjustment or readjustment as provided in this Schedule "B", deliver written notice to the Holder specifying the nature of the event requiring the same and the amount of the adjustment necessitated thereby and setting forth in reasonable detail the method of calculation and the facts upon which such calculation is based, which certificate and the amount of the adjustment specified therein shall be conclusively determined by a firm of nationally recognized chartered accountants appointed by the Issuer (who may be the auditors of the Issuer) and such advice or determination shall be conclusive and binding on all parties in interest. When so approved, the Issuer shall, except in respect of any subdivision, redivision, reduction, combination or consolidation of the Common Shares, forthwith give notice to the Holder in the manner provided in Section 19 of this debenture specifying the event requiring such adjustment or readjustment and the results thereof, including the resulting Conversion Price; provided that, if the Issuer has given notice hereunder covering all the relevant facts in respect of such event and if the Holder approves, no such notice need be given hereunder.

The net proceeds from the Private Placements will be used to qualify for the Company's proposed TSX listing, to fund Maryland dispensary acquisitions, and for working capital and general corporate purposes.

Equity Offering.

Each Unit is comprised of one common share of the Company (a "Common Share") and one-half of one Common Share purchase warrant (each whole Common Share purchase warrant, a "Warrant"). Each Warrant will entitle the holder to acquire one Common Share at a price of US \$1.95 per Common Share for a period of 24 months following the closing of the Equity Offering.

Debenture Offering.

Unless earlier repaid or converted, the outstanding principal and accrued and unpaid interest on the Debentures will be due and payable 36 months following the closing of the Debenture Offering (the "Maturity Date"). Each Debenture will bear interest at a rate of 9.9% per annum from the date of issuance, calculated and compounded semi-annually, and payable on the Maturity Date. Each holder may, at the option of the holder upon signing of the subscription agreement, elect to receive up to 4.95% per annum of such interest payable in cash on a semi-annual basis. Each Debenture will be convertible into Common Shares, at the option of the holder, at any time or times prior to the close of business on the last business day immediately preceding the Maturity Date, at a conversion price of US \$2.01. Holders converting their Debentures will receive accrued and unpaid interest for the period from and including the date of the last interest payment date, to and including, the date of conversion.

Reorganization Investment.

The Reorganization Investment was completed following the approval by the shareholders

of TerrAscend on June 22, 2023 of the reorganization in connection with TerrAscend's application to list its Common Shares on the Toronto Stock Exchange. Following completion of the Reorganization Investment, TerrAscend now holds exchangeable shares of TerrAscend Growth, representing approximately 99.8% of the economic ownership of TerrAscend Growth, on an as-converted basis. Aside from its interest in TerrAscend Growth, TerrAscend owns 95% of Cookies Retail Canada Corp., an entity which owns and operates the Cookies-branded retail store located in Toronto, Ontario, Canada.

The Private Placement constitutes a "related party transaction" within the meaning of Multilateral Instrument 61-101 *Protection of Minority Security Holders in Special Transactions* ("MI 61-101") because insiders of the Company, being Edward J. Schutter, Ziad Ghanem, Keith Stauffer and Jeroen De Beijer, as previously announced participated in the first tranche closing and Jason Wild, participated, directly and indirectly, in the second tranche closing of the Equity Offering and acquired 800,002 Units for aggregate gross proceeds of \$1,200,003. In total, the insiders acquired, in the aggregate, 2,000 Debentures and 825,734 Units in connection with the Private Placements for aggregate gross proceeds of \$3,238,601 (the "Insider Participation"). The Company has relied on exemptions from the formal valuation and minority shareholder approval requirements of MI 61-101 contained in sections 5.5(a) and 5.7(1)(a) of MI 61-101 in respect of the Insider Participation as the fair market value (as determined under MI 61-101) of the Insider Participation in the Private Placement is below 25% of the Company's market capitalization (as determined in accordance with MI 61-101).

In connection with the terms of the Debenture Offering and the Equity Offering, the Company has agreed to make certain cash commission payments equal to an average rate of approximately 2% of the gross proceeds received by the Company based on the source of funds.

The securities offered pursuant to the Private Placements have not been and will not be registered under the U.S. Securities Act of 1933, as amended (the "1933 Act"), or under any state securities laws, and may not be offered or sold, directly or indirectly, or delivered within the United States absent registration or an applicable exemption from the registration requirements. Caution Regarding Cannabis Operations in the United States

Investors should note that there are significant legal restrictions and regulations that govern the cannabis industry in the United States. Cannabis remains a Schedule I drug under the US Controlled Substances Act, making it illegal under federal law in the United States to, among other things, cultivate, distribute, or possess cannabis in the United States. Financial transactions involving proceeds generated by, or intended to promote, cannabis-related business activities in the United States may form the basis for prosecution under applicable US federal money laundering legislation.

While the approach to enforcement of such laws by the federal government in the United States has trended toward non-enforcement against individuals and businesses that comply with medical or adult-use cannabis programs in states where such programs are legal, strict compliance with state laws with respect to cannabis will neither absolve TerrAscend of liability under U.S. federal law, nor will it provide a defense to any federal proceeding which may be brought against TerrAscend. The enforcement of federal laws in the United States is a significant risk to the business of TerrAscend and any proceedings brought against TerrAscend thereunder may adversely affect TerrAscend's operations and financial performance.
